VOLUME
TWENTY-ONE

1941

Foreword.

For the twenty-first time, the **E**vergreen and **G**old is presented to the students of the **U**niversity of **A**lberta. **T**his volume comes at a time when we should appreciate our **U**niversity more than ever before. **W**ith this in mind, we have chosen our material from things common to **U**niversity life. **E**very page has been planned with the idea of making it mean something to you. 

We hope the book comes up to your expectations and will prove a source of happy memories in years to come.

St. George's Banner

The banner is the work of the Ladies of Wantage, England, and was presented to the University in 1911 through the good offices of Earl Grey, at that time Governor General of Canada. During subsequent years, the banner has become recognized as the emblem of the authority of the Students' Union and each spring is taken to Convocation Hall to symbolize the transfer of power from the outgoing to the incoming student administration.

Dedication

After spending years of study at this **U**niversity, it is fitting that we take away some lasting memory of these happy days of work and sport. **F**or this reason we dedicate this volume to the **U**niversity.

May our motto, "**Q**uaecumque **V**era," ring loud and true through the years to come. **M**ay it guide our lives even when this page is yellow and worn.

DR. W. A. R. KERR, M.A., PH.D., LL.D., CHEV. LEG. D'H., O.I.P:
President of the University of Alberta

VERITAS
 Veritas te liberabit
 Quaecumque sunt vera

These are the mottoes of three universities known throughout the world. One word is common to them all, one of the noblest words in a tongue that was for centuries the official speech of civilized mankind.

Since their foundation seven hundred years ago all universities worthy of the name have devoted their scholarship to the quest for the truth. They have gone boldly and confidently forward, head high, wherever this ideal may have led them, but nevertheless believing courageously that the search for truth can only lead man to an ever enlarging control over nature, to larger freedom of action and to larger tranquility of mind.

The immense advancement of learning since the day of Roger Bacon is proof of the onward and upward march of man in his efforts to liberate himself from the moral and physical shackles into which, untold ages ago, our race was so mysteriously born.

A generation since no one would have guessed that in our time the whole body of doctrine, democratic, economic and Christian, on which our world has so long and aspiringly revolved was to be ignorantly challenged and savagely attacked. In the place of truth as an ultimate goal we are offered lies and treachery; instead of mercy and compassion, we are offered cruelty and cynicism; in lieu of honor we are offered dishonor.

These are the hideous crudities that have forced the English speaking nations to throw themselves once more into the breach, grimly determined to destroy root and branch the bestial cult of Naziism, which, if human life is to be worth living in the long future, must at whatever cost be stamped upon and finally burnt out. This is the hard and relentless task of the youth of today, as it was that of the youth of yesterday.

It must be so for miracles are ceas'd;
 And therefore we must needs admit the means
 How things are perfected.

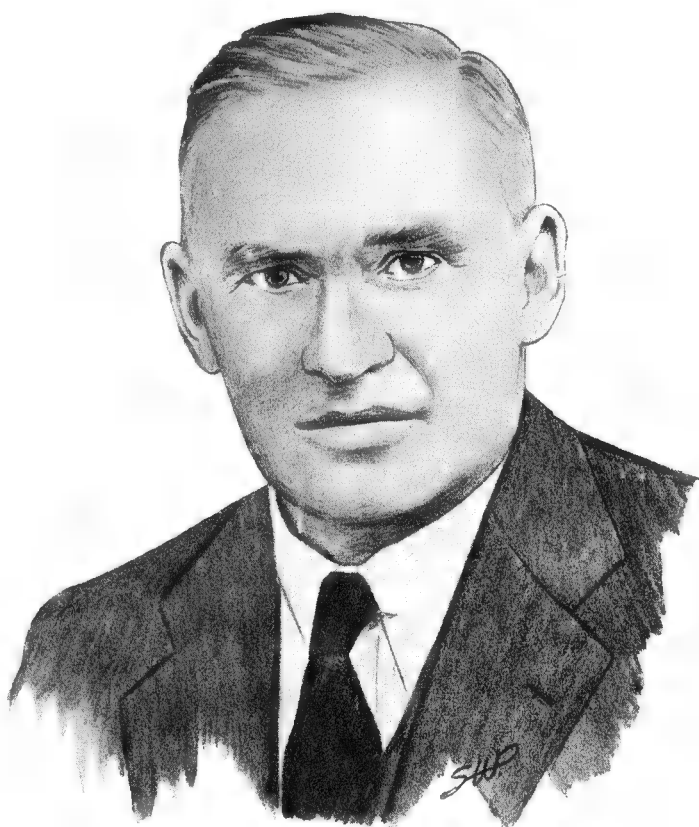

Shakespeare—King Henry the Fifth.

H. H. PARLEE, K.C.
Chairman of Board of Governors

BETH RANKIN

History of Class

1941

HE term University defies definition. It is concrete, yet contains much of the abstract and inexpressible. Each member of our graduating class will weave a different story from the same events in our history. During our first day, in September of 1937, we were caught up in the whirlwind welcome that is offered all new students. Such festivity and good will, although the tempo eased, became a part of all that was to follow. We were not long in organizing as a class. Our first two honorary presidents were called to posts at other Universities, Dr. McPhail to Toronto and Mr. Mitchell to Wisconsin. In our Junior term Dr. Walker graciously accepted this position.

In this same year, 1937, the University concluded its third decade and the Gateway, in a commemorative issue, brought back campus life of former days to us. Dr. Alexander, who had been a member of the faculty since the founding of the University, resigned to take a post at the University of California. Although few of us had been in his classes, we knew of him and shared the regret with which his resignation was accepted. We were the last class to witness a Med-Engineer battle and, although we foresaw the end of this traditional feud, it was a never-to-be-forgotten sight.

Our Literary Society has grown and flourished. The Philharmonic has given us repeatedly successful productions and carried that success to Calgary. Their "Mikado" will long hold the spotlight amongst our literary productions. The Dramatic Society provided variety and interest in their two annual productions, the Interyear Plays and the Spring Play. We still remember the famous "Happy Journey" which charmed three festival audiences. The "Taming of the Shrew", staged in modern dress, provided excellent entertainment. The Debating Society was also active and, in this connection, we note two visits from the Australian Debaters, the American tour in 1937 and the annual Inter-Varsity debate.

Athletics formed the major interest for many of our class. Through this medium the finest Inter-Varsity relationships have been fostered. Our hockey team has retained the Halpenny Trophy throughout our stay. In '38 they played at the University of Southern California. Finis was signed to women's hockey in a famed student council conflict. Also, in '38, we gained the Cairns track trophy, were victorious in tennis and although we lost in rugby, we saw enthusiasm reach a fever pitch. True student spirit was never higher than in 1939-40 when the rugby season was inaugurated by a monster pep rally and parade. This event was repeated the next year with the same marked success.

We have the usual scandals and dissensions, which are a part of every class. In this connection we note the Prom "fuss" of '38, invalid class elections, the Year Book contract dispute of '39, the battle for mortar boards (which were adopted for convocation '40) and the week of feminine dating. In '37 the Gateway publicized a Union Building campaign, introducing us to this oft promised and much discussed dream. The Gateway celebrated its thirtieth anniversary in '39 with a special edition which traced the history of its development.

In the fall of '39 an energetic freshman committee brought in the wearing of green and gold caps for our newcomers. The first telephone directory appeared in this year and established itself as a true student aid. Student radio work was organized on a larger basis. Attention focussed on the "Varsity Varieties" program with its special quiz feature. The war brought noticeable changes such as, the suspension of the Rhodes appointment, certain readjustments in the faculty list and a full C.O.T.C. enrolment.

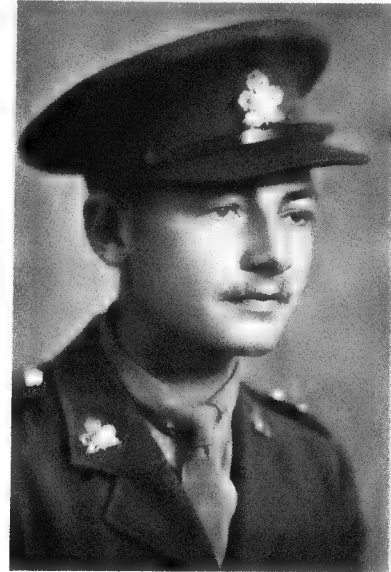

This year the war has cast its shadow over the campus. Military training has been organized into two divisions, the C.O.T.C. and the Auxiliary Battalion, to include every male student. Former spare hours whiled away in Tuck have been replaced by the daily marching columns of khaki-clad figures. Familiar faces are gone, already serving in forces at home and overseas. The women of the campus formed into a group known as the Wauneita War Workers. A notable innovation has been the replacing of corsages with Red Cross ribbons at formal dances.

Within the past three years we have welcomed several new faces to the faculty, and have been deeply grieved by the loss of two beloved student and faculty friends, Dean Howes and Dr. Stover.

In all these happenings each of us has found something vital and significant. The future holds dim promise but we have an ideal that Disraeli so aptly expressed in these words, "A University should be a place of light, of liberty and of learning."

Valedictory

*"Double, double, toil and trouble,
fire burn and cauldron bubble."*

MAC BURKA

DOUTBLESS the immortal Bard would roll in his grave to hear his words so profaned by one as unworthy as myself. Yet these lines seem particularly appropriate to the graduating class of '41, because they suggest a striking analogy. We are leaving the shelter afforded by the University, and are being thrown into a vast melting pot, a cauldron fired by the hatred of our enemies, a vat from which many of us will never return. When we take our places in the world we are about to enter, whether it be civilian or military life, we will become cogs in the mighty war machine of the empire. In the seething pot of international strife, we must forget about personal gain and advancement, forget the petty ambitions and desires of individual existence, and work together for the attainment of a common purpose—the trampling into the ground of oblivion those forces of evil that would chain our bodies and enslave our minds. We must take a far-sighted view and realize that only when the success of all is assured, will the happiness and success of the individual become possible. Just as the herbs and charms of the MacBeth Witches lost their identity and became part of a potent brew, so shall we, by united effort, form a brew more potent; a brew that will purge the world of the poisons that are eating her vitals.

During our brief years of study here, I wonder if we have ever given sufficient thought to two latin words that have been the motto of our University—"Quaecumque Vera"—"Whatsoever Things are True". I wonder if even now we have grasped their significance and their meaning. If the world had followed those Things that are True and had turned a deaf ear to the false teachings of demagogic ideologies, we would not be faced with the struggle we are today. Since the dawn of human life, man has searched for truth. It has been an intense, silent, struggle; a war involving the weighing of one conclusion against another, sometimes correctly, sometimes falsely.

Our studies should have equipped us with the arms necessary to fight that war, the tools necessary to seek that truth. It is a far harder battle to win than one of blood and iron, for it is one against subtle evasion and fallacious reasoning. The man who can separate the chaff from the wheat, who can tear aside the trappings of appearances and find within the hidden germ of truth, he is the man whose motto is Quaecumque Vera. May it be our standard as we go forth to battle!

After this war has been fought, and won, the world will need such men; men who will lead the battle for Truth with the same vigor and determination as our leaders today lead the battle against oppression.

This day of graduation is one to which we have all looked forward with keen anticipation. Now that it has dawned, we turn from our Alma Mater with regret. But, whatever our emotions as we stand on the threshold of our future life, we enter upon it with the confidence that She has prepared us well. "We shall finish the task."

T

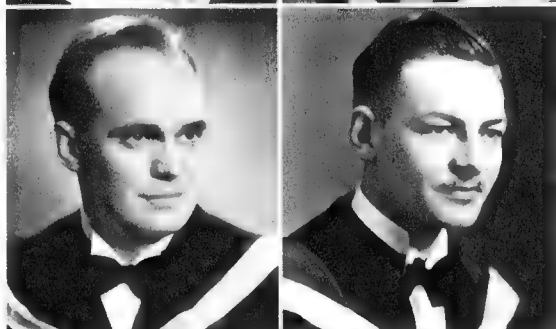

HE Graduating Class of 1941 is leaving these halls to take its place in a society which needs more than ever before, a nucleus of educated young men and women. In the course of our stay at the University we have learned to study, to think, and to apply ourselves along the lines in which we think we can offer most to Canada, to the Empire, and in the immediate future to democracy itself. We of this the second graduating class in the midst of the Second World War do indeed cherish the right to learn, to study, and to enjoy "whatsoever is true".

We are indeed humble as we think of much that we have not done. At the same time, we on the threshold of our life find some comfort in knowing that while much remains to be done, we in some small way can do our part in making this world a better place to live in.

AT the end of a successful year, the class of '42 can look back with satisfaction on a term of active participation in campus life. Although there have been increased demands made on our time by added hours of military training and other wartime activities, we were able to carry out a full program.

The Junior Prom again proved to be an outstanding event of the social season, with its background of Strauss waltzes, crinoline and old lace.

Our hope is that our senior year will be as successful and as full of pleasant memories as the year we now leave behind.

WHILE we, as Sophomores, have completed two years in these halls of learning one must remember that a little knowledge is a dangerous thing. It is with this in mind that we look forward to the continuance of our work. Our thoughts should be of the future and what it holds in store. Nevertheless, in these troubled times much comfort can be gained in retrospect and in the completion of a job well done.

The Sophomore Reception to Freshmen was one of the most successful formals of the year in which a high standard was set for the following years to attain.

Sophomore superiority was shown in the Inter-Year Plays when Noel Coward's "The Family Album" received the judges' decision as the best performance of the year. A Sophomore, Murray Kendrick, brought further honour to our class when his performance won the best actor award.

To Professor Nichols, our honorary president, we owe our thanks for his kind and helpful co-operation in all matters.

OUR first year has come and gone! A year which we long looked forward to—and one which we will long remember. We were very fortunate and pleased to secure Mr. F. M. Salter as our Honorary President. Throughout the term, Mr. Salter gave generously of his time and kindly advice.

The Class took part in many activities. The Freshman Sleigh Ride and the Frosh Reception to the Sophomores were both highly successful. Besides these events, members of the Class participated in dramatics and philharmonic work.

Our Class was well represented on the rugby field, the hockey team and the basketball squad, besides the many who took part in all forms of inter-faculty competition.

During the year, our gaiety was often pierced with sadness resulting from the loss of several members of our Class, who left to join the fighting services. To them, we wish the very best!

A marked spirit of good sportsmanship has characterized the Class of '43. May this spirit be always with us!

Students' Council

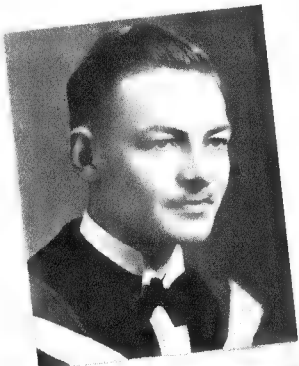

THE 1940-41 Students' Council embarked upon its term of office under vastly different conditions from any council of previous years. These circumstances were such that the work and position of the Council were very difficult at many times during the session.

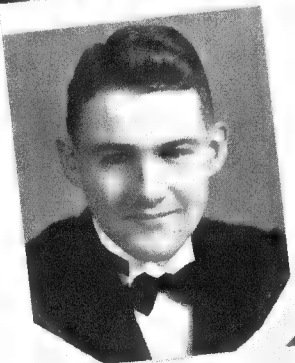

War conditions naturally brought about a curtailment of various activities on the campus. However those branches providing a maximum diversion and enjoyment to students were continued and extended. In this category were the highly successful performances of the Philharmonic Operetta "The Mikado" both in Edmonton and Calgary as well as the annual dramatic and athletic presentations, the establishment of an outdoor rink to take the place of the covered rink requisitioned for military purposes.

The money earmarked for the Students' Union building has been placed in trust for that specific purpose in the hope that the building may be erected at some appropriate future date.

The student newspaper, "The Gateway" has been subjected to considerable criticism. In an endeavor to better

the newspaper in its service both in the campus and abroad, an Investigation Committee was set up, and its report is awaited with interest.

The Men's Athletic Board was re-organized this fall, and its status was more clearly defined, so that it has now assumed its proper position in governing the athletic policy of the University—a position rather jeopardized in past years.

In the matter of war services, the students have responded to the emergency. They have purchased some \$2,000 in War Bonds, and have successfully contributed to the Spitfire Fund, the Red Cross, the Greek War Relief Fund, the Wauneita War Workers, and have established a War Contact Service for our own graduates. Every able bodied student has taken his present military training and the students may well be proud of their individual and combined war effort.

The annual Christmas Fund was also carried out as successfully as ever, with the grateful acknowledgments of the recipients providing ample reward for the effort extended.

The Students' Council wishes to express its appreciation and complete satisfaction with the work of the Physical Education Department and sincerely regrets the decision to disband or re-organize the department.

To think that this Council has given complete satisfaction would be folly. It has carried out certain reforms and advances in student government, policies and activities as has every Council. There may have been as well more criticism levelled at this Council, but it is hoped and felt that time will prove that its judgement and policy were of a justifiable and commendable nature.

Committee

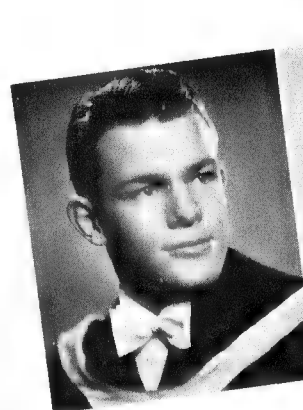

MARGERY UPTON
GERALD YATES

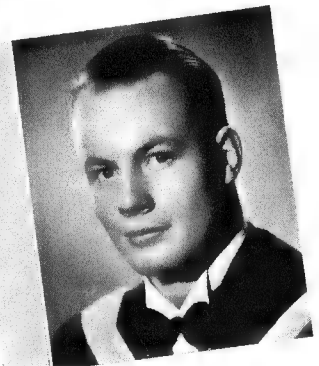

CEC. BRIDGEMAN
Chairman

As the elected representatives of the students in residence, the House Committee is concerned with the general management of the residences. Weekly house dances and the Christmas Banquet, held this year in January, are outstanding events which are part of the program carried out by the committee. Numerous problems arising in the lives of the students in residence add to the activities of the organization. Under the guidance of Dr. J. M. MacEachran and Professor J. T. Jones the House Committee enjoyed a very satisfactory term.

St. Stephens College has had another successful year, despite the fact that the residence was not as full as usual this term. However, the group may still be rightly termed a cross-section of the campus.

Social activities featured two well-attended parties which left little to be desired. In keeping with the spirit of Sadie Hawkins week a tea was held for the co-eds of the campus.

Basketball, volleyball, badminton, ping-pong and chess made up a complete program of recreation.

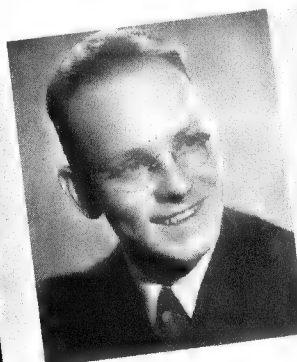

The House Committee had few unpleasant duties to perform thanks to the co-operation of the students; the committees of the council carried out their duties with efficiency, helping to make this a year that will be long remembered.

St. Joseph's House Committee

The opening of the scholastic year found many of last year's students returning to St. Joseph's, with new students from widely scattered sections of the West replacing those who had finished their University careers.

Many were saddened on their return to hear of the sudden death during the summer months of Brother James, who had been Collage Bursar for the past two years. His replacement by Brother Ephrem of Toronto was the only change in the College Faculty.

The House Committee, under the energetic guidance of E. D'Appolonia, got away to a flying start in early October. It organized a highly successful basketball league of four teams, which came to a hectic close in February, when Dembicki's Spitfires narrowly triumphed over Kelly's Colonels to win the coveted Cotter Trophy.

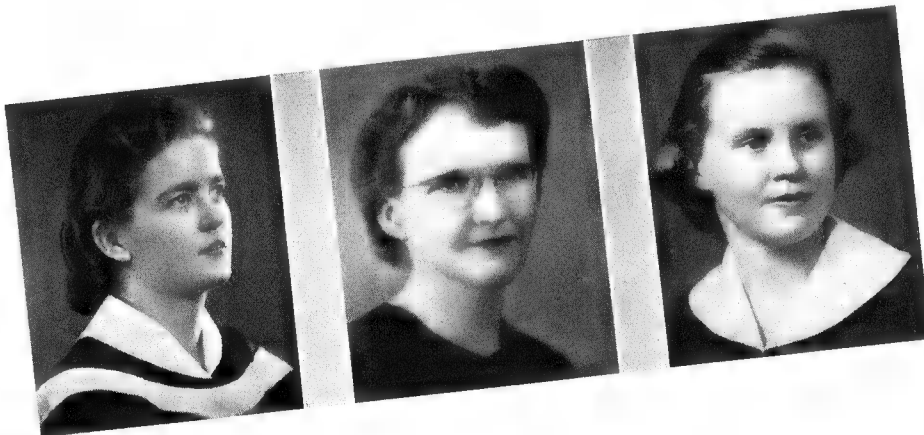

The Annual Fall Formal was voted one of the best in years. Much credit is due to the Dance Committee for a well-organized effort.

In mid-December the House Banquet and Dance proved a welcome respite to the grind preparatory to the Christmas Examinations.

A spirit of good fellowship and co-operation has marked the relations among the students of St. Joseph's this year.

The Wauneita Society

This marks the twenty-ninth year of active service of the Wauneita Society—a society that composes all women students on the campus. A new organization was formed this year—the Wauneita War Workers who held a successful tea to raise money for the war fund.

The reception to men, the first formal of the year, was as usual a great success.

The Wauneita Banquet which is held every spring was enjoyed by many alumnae members who come back each year to renew old acquaintances.

The Society in conjunction with the Musical Club sponsored the famous Hart House Quartet—the funds being used to further our war effort.

Mrs. R. Sandin was the Honorary President whose friendly co-operation and interest ensured the success of our activities.

DORENE STETSON

The Wauneita War Workers are a new organization this year and are under the Wauneita Society. The Committee was started last October on a voluntary basis. Miss Duggan and Dr. Sheldon as our advisors have given us much appreciated help in our new enterprise. The Household Economics lab. was used for a working centre and for distributing materials. Work included knitting and sewing for the forces and refugees, first aid classes and radio programmes.

In the fall materials were given to us by the Red Cross until we could raise money to buy our own. Materials and financial assistance also came from the Sidie Hawkins' Dog-Patch Dig, Faculty donations, Engineers' Ball, Hudson's Bay Company, Kresge's and Woodward's. A highly successful tea was held in January in Convocation Hall under the auspices of the Faculty Women's Club. All the refreshments were donated by firms overtown. Financial aid was also received from the concert of the Hart House Quartette.

The Executive Committee would like to thank all the girls for their help during the year. Now that a good beginning has been made, next year's Wauneita's will be able to go forward to an even greater contribution to our war effort.

Women's Disciplinary Committee

RUTH ROSTRUP

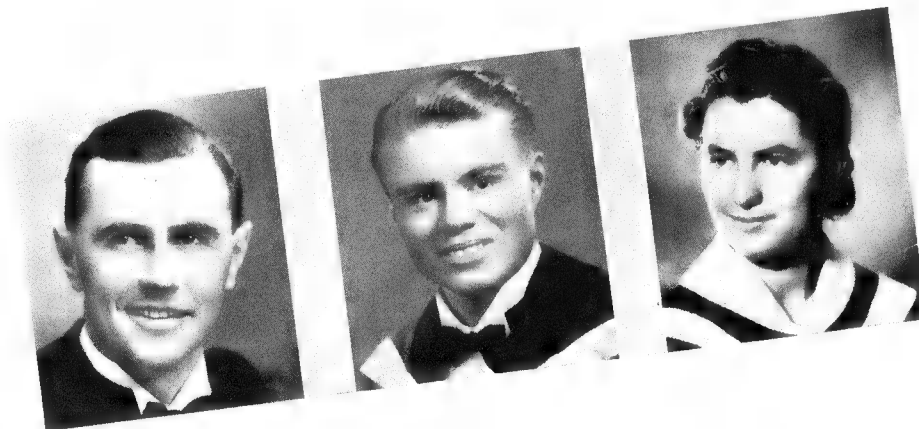

NELLIE COYLE

It is the duty of the Women's Disciplinary Committee to see that the women students at the University of Alberta obey the rules set down by the Constitutional Enforcement Committee of the University.

The Committee consists of a Chairman, two members who are elected each year, the president of the Wauneita Society and the Head of the Pembina House Committee. Although the Committee is not often called upon to act its powers are such that if necessary it can effectively deal with disciplinary infractions of women students.

Constitutional Enforcement Committee

RALPH FISHER

PETER LEACOCK

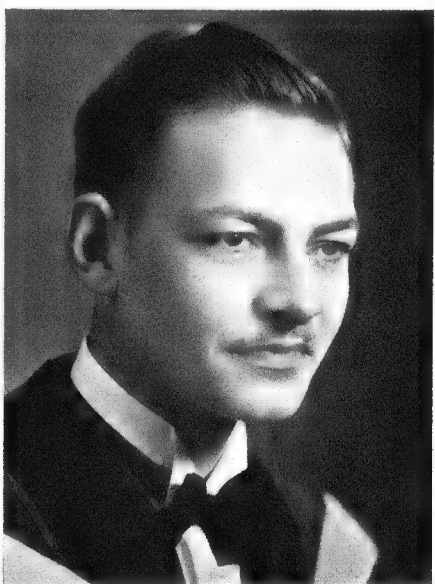

FERNE McKEAGE

The primary purpose of this Committee is the enforcement of the Constitution. To this end it has the power to levy fines up to \$10.00 or to bar students from Campus activities and offices. A student who feels that he has been unjustly dealt with has the right to appeal the decision to the Committee on Student Affairs.

Though its operation is fundamentally judicial, that responsibility is frequently related to an advisory capacity in an effort to remove friction, promote harmony between students and student administration, and good government of the Students' Union.

When we graduate, the only permanent record of University life is the Year Book. The staff planned this volume with the object of making it the most complete summary of the events of the past year. For the first time in many years we have chosen a purely university theme so that every cut whether decorative or not will mean something to the student.

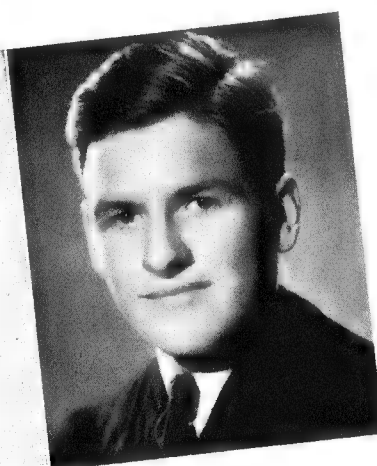

The Year Book Staff though small has worked diligently through the winter compiling material which it thought would be of interest to the graduate in years to come. We extend our thanks to the student body for the co-operation they gave us. We have tried to keep the book free from mistakes but undoubtedly a few have slipped by our checking. We hope you will pardon any errors for even the best intentions always fail in some respect.

CORSAGES FOR THE DANCES

WALTER RAMSAY LIMITED

Having proved itself of great benefit to the students in general, the Students' Union Telephone Directory appeared on the campus this year for the second time. In the interests of increasing its usefulness, the names of graduate students were added.

If this booklet keeps pace with changing circumstances and is ever refreshed with helpful innovations from year to year, it will undoubtedly become more and more indispensable to everyone on the campus.

It is to be hoped that ways will be found of having this directory in the hands of the students earlier than in preceding years.

Gateway

Although the year 1940-41 was a hectic one for the Gateway, we have completed it safely and the results on the whole have been more than satisfying. There were times when we had our doubts; when frank outspoken editorial policy resulted in numerous criticisms by a small section of the students following which a "committee to investigate the Gateway" was set up.

However, the Co-ed issue, the outstanding Christmas number, the Colour Night issue, and the photo-gravure section and literary supplement in the Easter issue have, we feel, redeemed the paper in the eyes of students. News got a complete coverage this year, and some of the stories on campus activities were scoops, the envy of every newspaperman. Sports were given a mediocre

coverage, possibly due to the sports editors and their staffs, possibly to the Editor-in-Chief who was not as interested in sports as he should have been.

Although the dizzy heights of literary achievement were never in any danger of being scaled, we attempted to avoid the depths of rabid journalism. Contributions from students were few and far between, and the pressure of work prevented the Gateway staff from completely shouldering the burden of collecting material themselves.

There is always regret in the heart of the editor when the last issue is out, and this year was no exception. At times we thought it was rather a headache but now that it is all over we find we have really enjoyed it, and we trust that this last feeling is shared by our readers.

JIM HERRINGER

Provincial News Department

FRED PRITCHARD
Editor

Concentrating on radio broadcasts concerning student life and activities, the Provincial News Department has endeavored to continue to stimulate a friendly public interest in our University.

Campus news was broadcast weekly over the Alberta Educational Network as has been the custom during the past few years. Increased public interest in the program resulted from the addition of a women's editor to this news broadcast in the person of Betty Stewart, whose weekly notes on Pembina's activities kept many parents informed of their daughters' doings when letters just didn't get written.

With the University sports program curtailed, play-by-play descriptions of games were limited. However, Alberta fans heard Varsity yells as the rugby team chalked up victory after victory last fall, and later heard the sighs of disappointment as the basketball squad failed to pick up the Rigby trophy.

Varsity Varieties, an all-student radio program went into its second year and continued regularly throughout the winter. Programs were of a varied nature with dramatists, musicians, and even the "quiz-winning" professors taking the spotlight. Dramatic productions were under the direction of Bill Bredo and Mr. MacDonald of CKUA. Others regularly working on program presentation were Ralph Weir, announcer, and Don McCormick, pianist.

In the face of certain adverse factors this season, Literary Activity maintained its equilibrium more than satisfactorily.

Enthusiastic response of audiences, both at home and in Calgary, to the "Micado," has advanced the reputation of the Philharmonic Society to a new peak. Under the excellent conductorship of Walter Holowach, this, the best and most effective of Gilbert and Sullivan productions, was performed with a distinct touch of professionalism. Don McCormick gave his utmost in executive effort to the endeavor, and the laurels for its success belong to him as also to his very able Publicity Man in Calgary—Dave Stansfield, graduate of '40.

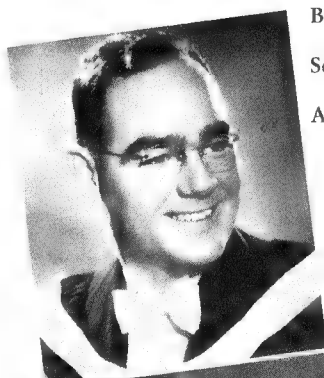

The Inter-year Plays stirred new interest in theatricals this year, countenanced by a capacity house at their one-night opening. Thornton Wilder's "What Say They," as the Spring Play, capably directed by E. M. Jones, climaxed the Year's Dramatic efforts. President of Dramatics, Bill Prowse, has skillfully managed Thespian activities.

The Debating Society struggled to overcome the handicap of nearly complete disinterest in oratory this session, and, notwithstanding, almost succeeded in returning the McGoun Intervarsity Debating Trophy to Alberta.

Co-operating in their attempts to hold their respective Clubs together, Margaret Ritchie and Eugene Labrie, heads of Public Speaking and Political Science; carried on their activities and two Open Forums with praiseworthy success.

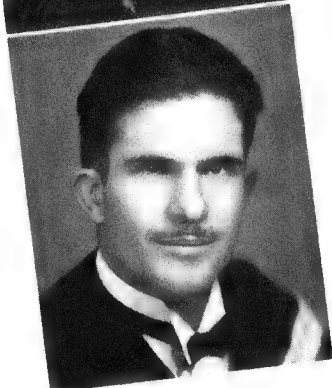

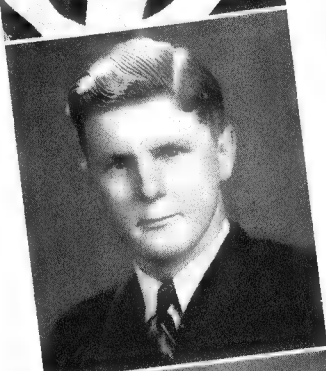

Back row, Gordon Pybus, Percy Wells, Armand Weaver, Doug. Galbraith, Henry Dombrowski, Bert Penman.
 Second row, Gordon Barrett, Dave Elves, Alex Garrow, Bill Nelson, Edward Tipman, Bernard Krasnoff.
 Front row, Jack Raskin, Cec. Robson.
 Absent, Ivan Barber, Keith Cummings, Maurice Marshall, Jack Sinclair, Orville Wright.

The University Band

For the sixth year since its organization the University Band has once again shown itself a small but vital part of student activities. Having lost its founder and conductor for the past four years, John Porter, the Band carried on under the equally capable guiding hand of Cec. Robson.

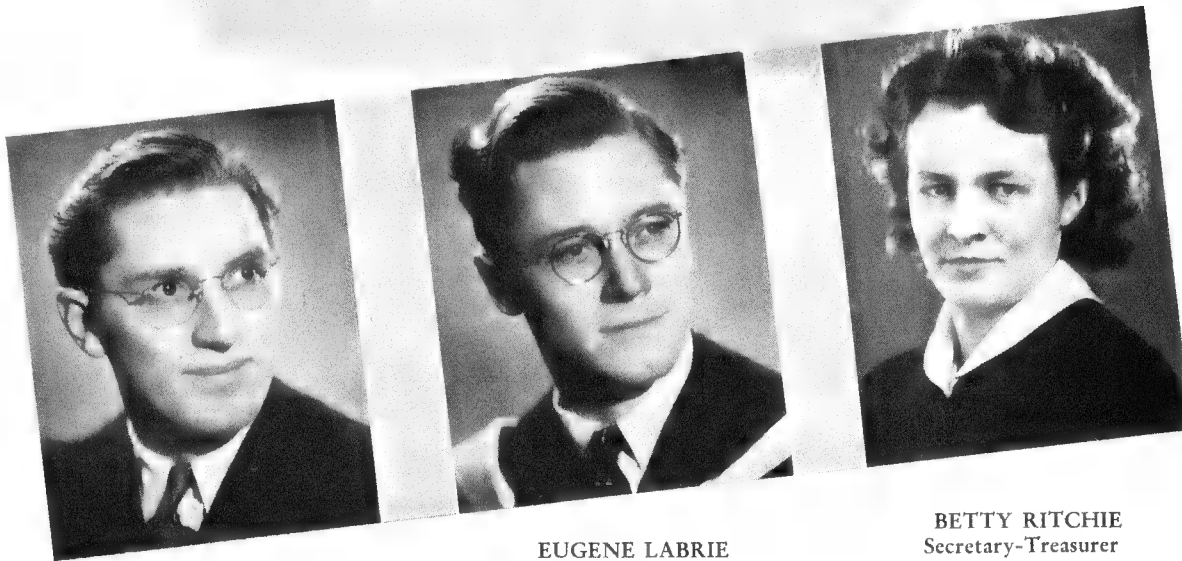

The lack of Intercollegiate Sport and the closing of the Covered Rink left the Band with little incentive, and the failure of negotiations to form a C.O.T.C. Band proved another obstacle.

True to tradition, the Band defied Alberta fall weather, to inject college spirit at Varsity's home football games.

As in former years, practices were held wherever suitable accommodation could be found, in the Arts and Medical Buildings and in St. Stephen's College.

Cec. Robson and his executive, Armand Weaver, Doug. Galbraith and Gordon Pybus, wish to thank all the members who turned out so faithfully when time was at even a higher premium than in other years.

Political Science Club

BILL BREDO
Vice-President

EUGENE LABRIE
President

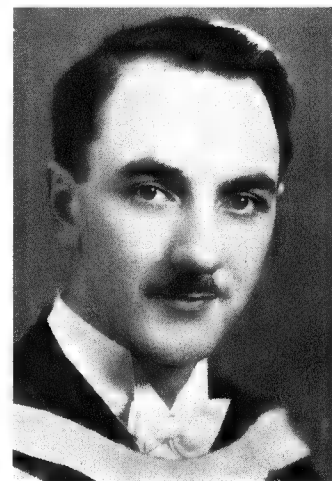

BETTY RITCHIE
Secretary-Treasurer

The Political Science Club is directly sponsored by the Students' Union and exists as a branch of the Literary Society. Its purpose is to encourage thought and discussion by students on topics of present-day social, political and economic interest. In the past this purpose has always been well carried out. Recently however, owing to the war, the Club's activities have been somewhat curtailed.

This year the Club has sponsored meetings at which student and outside speakers have been heard on topics of current public interest.

MORRIS SCHUMIATCHER

MICHEL DUBUC

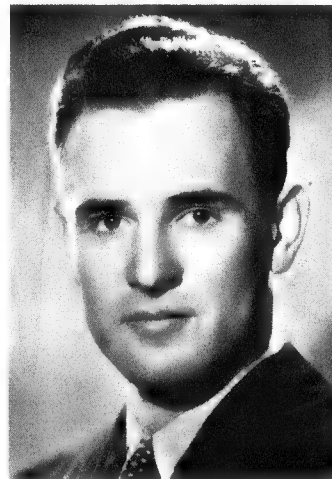

Intervarsity Debate

Alberta this year again defeated Manitoba by a unanimous decision, when John Maxwell and Morris Shumiatcher opposed Doug. McWhannell and Roy Matas, of the U. of M., at Alberta. Our Travelling team, Gerard Amerongen and Michel Dubuc, debating at Saskatchewan, strongly defended but lost the rather lop-sided argument, "Resolved that a System of International Law, enjoying Primacy to National Law, would be in the Best Interests of Permanent World Peace."

Saskatchewan retained the McGoun Trophy, symbol of Inter-collegiate supremacy on the realm of Debating, but we hope that next year we may be able to bring the cup back to Alberta, where it has not been for several years.

Open Forum

The Open Forum is an organization operated under the combined sponsorship of the Political Science Club, the Public Speaking Club, and the Debating Society. It seeks to stimulate the intellectual life of the University by providing an opportunity of training Intersarsity debaters, by allowing members of the audience a chance of learning to express themselves in public, and by demonstrating various types of public speaking.

This year two lively debates were presented. The first of these, "Resolved that democracy contains the germ of its own destruction," was argued by Theodore Burger and Terrence Oldford for the affirmative, with Eric Conybeare and James Ross for the negative. Eugene Labrie, President of the Political Science Club, was chairman for the evening. The second, "Resolved that the present policy of President Roosevelt tends toward the establishment of a dictatorship in the United States after the War" was presented by Edwin Lewis and Robert Galbraith on the affirmative, with John Leask and Hugh Wallace supporting the negative. The Public Speaking Club, under President Betty Ritchie, was in charge of the debate.

Despite the handicap of increased military activity on the campus, the Open Forum expects to fill an even greater need in student life as the University itself expands.

The Inter-Year Play Competition this year saw all four plays well presented and very well received by a capacity house. The Frosh Class presented "Tea-Kettle on the Rocks," the Sophs "The Family Album," and the Juniors "The House of Juke" and "Still Stands the House" by the Seniors.

This year for the first time, medals were presented. Flo Brent won the Best Actress Award (for the second year in succession), for her performance in the Senior play. Murray Kendrick won the Best Actor Award for his performance in the Soph Play. Bob Black won the directors' award for the winning play. This play, "The Family Album" possibly reached an all time high for dramatic achievement on the campus.

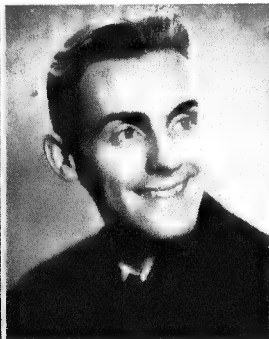

"What Say They," the spring production, although playing to dissapointing audiences was a credible performance and individual characterizations were at times excellent. The Dramatic Club has welcomed many talented newcomers this year and looks forward to their future achievements with confidence.

Philharmonic Society

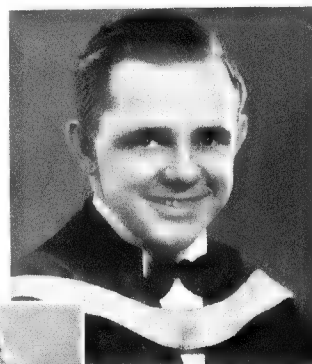

The Philharmonic Society, adding to its record of successful performances, turned back the pages of its history and this year repeated "The Micado" so successfully performed five years ago. Thanks to an unusually strong principal cast, a well-balanced chorus and a finely-blended orchestra, this year's production was one of which Gilbert and Sullivan themselves might well approve.

The Calgary trip, which now seems to be an annual affair, was successful, both artistically and financially beyond all expectation.

T. W. Dalkin, Stage Director, and G. A. Kevan, Chorus Director, once more performed the remarkable feat of making troupers from students, and Walter Holowach made a successful debut as Conductor.

This year the scenery was designed and constructed entirely by the student stage crew, under the supervision of Richard McDonald, and the new "stylized" setting contributed in large measure to the success of the show. Credit is also due the light crew, who worked in close co-operation with the stage crew to carry out the "stylization."

B. Sc. Nurses Club

The fourth year of activity of the club has rolled around with much increase in membership and enthusiasm by all the B. Sc. nurses. Each of our monthly meetings has been very successful due to interesting talks and discussions given by prominent women of the city. Our meetings varied alternately, with discussions and entertainment provided by the different classes of nurses.

Much of our success may be attributed to Miss McArthur, who has shown steady interest in our activities. We wish to thank Miss Keiler, our Honorary President, also for her interest in our club.

Nurses' Students' Union

The year 1940-41 marks a step forward for our nurses. We have now a Student Government. The first Tuesday of the month is set aside for our meetings, which are business or social.

Twice a year we welcome a fresh crop of "probies," in September with a corn roast, in January with a sleigh ride. A certain sum of money was donated to various organizations for war work. Basketball, bowling, skating, Glee Club and knitting for the boys overseas are but a few of the activities which kept the nurses busy.

The formal dance at Athabasca Hall in honor of the graduating class was, as always the highlight of our social year.

Another very successful year comes to a close for the Engineering Students' Society. Membership in the society reached a new high this year.

Due to military requirements, meetings were held every three weeks in the form of smokers. Large turnouts indicated the interest shown by the members. Guest speakers were obtained from overtown and the usual student papers were presented.

The Engineers' Third Annual Ball was a decided success, being one of the highlights of the social season. Corsages were banned and Red Cross ribbons substituted in their place.

Science men were prominent in interfaculty sports. They were victorious in the hockey league but lost out in the playoffs for the rugby championship.

Following the tradition of past years the Commerce Club again proved to be one of the most energetic of campus groups, participating in all faculty events, as well as holding its regular series of luncheon and supper meetings.

In the annual "overtown" sport parade, the club, came out with its new model of bigger, better and more daring floats. Ralph Hole was production manager for the endeavor.

Military training caused the club to institute a novel luncheon-lecture meeting. Members gathered for their regular monthly luncheon meeting, heard a guest speaker, and then finished off the evening with their scheduled Commercial Law lecture. The system proved a decided success.

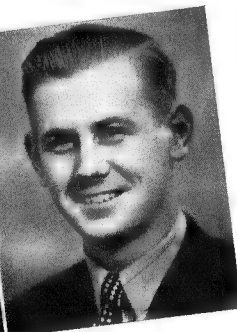

Biggest accomplishment for the group this year was the sponsoring of the Undergrad dance, complete with original "ledger" programmes and floral motive. Corsage ribbons were sold with entire proceeds goin to the Red Cross.

Dental Club

The session 1940-1941 will go down in history as one of the most successful years in our Club. Coupled with one hundred per cent membership was the spirit of advancement and co-operation.

Our contribution to advancement was to make our Club Fees compulsory and payable at Registration. Benefits of the Club will be extended to all, and by participation it will hold well in the fore as a good club on the Campus.

Our functions, the Supper Meetings in the Tuck Shop, our Fall Dance, and the Spring Banquet held at the Corona, will be remembered for a long time to come. The Supper Meetings gave us an opportunity to hear speakers from the Faculty and from overtown, as well as to foster a little talent among the members.

The Intermediary Board functioned well this year and problems concerning Faculty and Students in Dentistry were solved to mutual benefit.

Besides our own interests Dents have been behind "Alberta" and have done her credit in many Campus Activities.

Household Economics Club

The Household Economics Club showed its usual spirit in 1940-1941. At the beginning of the term the Agricultural and Household Economics students held a dance in the Rainbow Room of Big Tuck. The Household Economics float was prominent in the rugby parade overtown last fall.

The monthly meetings were all very instructive and interesting. Mrs. Dill, wife of Senator Dill, of Washington, a graduate in Household Economics from Alberta, gave the Club an interesting talk. In November, Mrs. Davidson, another graduate, charmed everyone with her description of her work as dietitian at Bullock's Wilshire Tea Room in Los Angeles. In December the Club was favoured by a display of handicraft by Mrs. R. Sandin, who last year attended the Boston School of Fine Arts. Mrs. J. Garret presented an interesting talk on Food in New Zealand, England and on the Continent, at the February meeting.

The year was climaxed by the Household Economics Formal held in January at St. Joseph's. The departure from the usual banquet and dance was a high spot in the year's activities.

Law Club and Law Quarterly

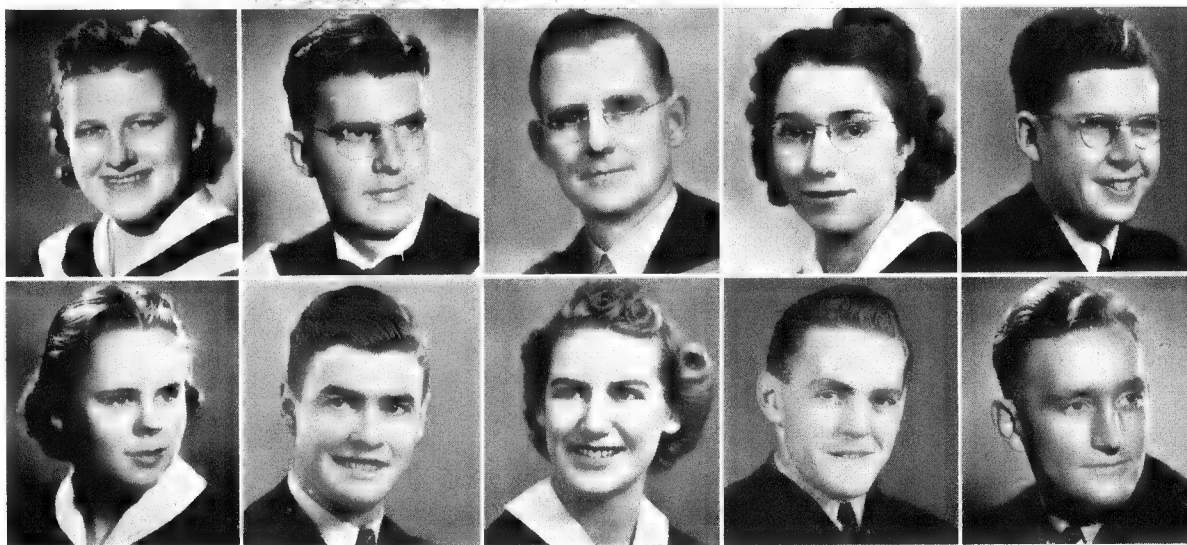

In 1940-41 the Law Club successfully concluded its twentieth year as a faculty club of the University. In the course of the year two luncheons were held, both of which were characterized by excellent speakers. The annual banquet, at which many distinguished members of the bench, bar and university were in attendance, was held at the Macdonald Hotel and was an outstanding success.

The war has had its effect on the class, in that two of the members are already on active service, and it is expected that the majority will join up on graduating.

The chief outlet for the activities of the Law Club was the Alberta Law Quarterly, which, with the Class of '41, entered its seventh year of continuous publication as the only legal periodical of its kind entirely managed and controlled by the students of a Canadian Law School.

As a result of the enthusiastic work of both the Executive and members, the S.C.M. carried out a most successful programme of Christian work on the campus this year. In addition to the usual Spring camp, a Fall camp was held at Fallis during the Thanksgiving week-end.

A new and very successful venture of the Movement was the handling of the University Book Exchange. Over \$1,200.00 worth of used books were handled on a non-profit basis at a great saving to students.

MINING and GEOLOGICAL SOCIETY

DR. P. S. WARREN
Hon. Pres.

MIKE FENIAK
Secretary

Another successful year can be written into the annals of the Mining and Geological Society as an affiliate of the Canadian Institute of Mining and Metallurgy. Membership showed an increase over that of last year.

Meetings were well attended and instructive papers were given on: "The Origin and Occurrence of Placer Gold," "Drilling Methods in Turner Valley," "The Oil Industry in Alberta," "Oil Possibilities in Relation to Structure," "Shrinkage Recovery Method at Creighton."

Outstanding occasions of the year were: the visit of G. C. Bateman, President of the Institute, and Dominion Metals Controller, whom members were invited to hear at a banquet held in his honor by the Northern Alberta Branch of the C.I.M.M. Members gained valuable information from a talk by Mr. Bill West on "Columbia" and a talk on "Some Legal Aspects of Mining" by B. C. Whittaker.

Undergraduate Society of Medical Students

The Medical Undergraduate Society, founded in the fateful year of 'forty-one, has altered the tone of the Medical Building and the occupants from that of a college of students to that of a college of Medical Students, without destroying the pleasant atmosphere of a Western Medical School.

The new executive, representing one-hundred per cent membership of the medical students on the campus, inculcated a policy of presenting material of pertinent academic value, while at the same time retaining the traditions of campus social activity.

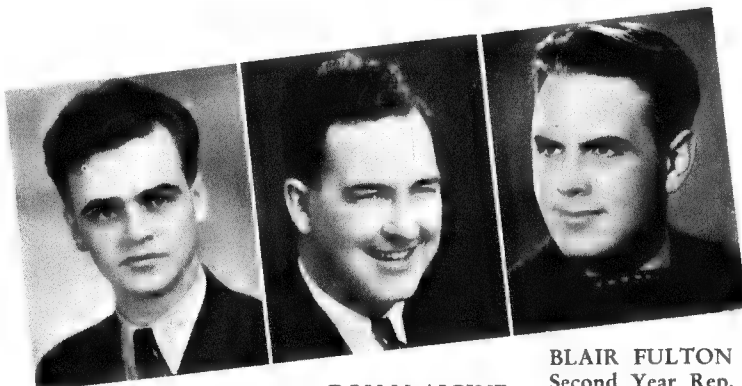

The Medical Banquet won the compliments of the Faculty and the President, establishing in this manner a standard for many years unachieved.

Among the major undertakings of the Executive of M.U.S. of A., is the publication of a formal Quarterly. Under the direction of Dr. M M. Cantor such an expression should be of immediate and lasting value both to the contributors and members.

The Osler Club

FRANK CHRISTIE
President

CLARENCE McNEILL
Secretary

The Osler Club is limited to members of the graduating class in Medicine. Osler clubs are discussion clubs where problems of medical interest are presented and discussed by the members.

Sir William Osler, the great physician and teacher, was a Canadian, the most famous of any Canadian doctor. He became the centre of medical life in Montreal, Philadelphia, Baltimore and England, and finally a sort of "ambassador to England from North America". He introduced into this country the clinical system of teaching which has had a profound effect on medical education.

The Club wishes to extend its thanks to Dr. Ower and Dr. Cantor for their help in the formation and organization of the club, and to the other physicians who have shown interest and have entered into the discussions.

The Newman Club, taking its name from the great Catholic Leader of 19th Century England, Cardinal Newman, is primarily concerned in fostering and developing the spiritual, intellectual and social interests of Catholic University students.

Members of the Newman Club met the first Sunday of each month in the chapel of St. Joseph's College for Mass and Communion. Among those who addressed these monthly gatherings were His Excellency, J. H. MacDonald, Archbishop of Edmonton; Father R. Britten, Editor of the Western Catholic; Father J. Woodhouse, Pastor of St. Edmund's, and Father M. Foran, Pastor of St. Anthony's. Father Foran also presided over the exercises of the annual three day spring retreat.

FRED PLUMB
Press Rep.

During the fall term the club held two supper meetings, at which the guest speakers were Col. Dunn and Mr. M. Huston, and two informal dances, all held in the Rainbow Room at Big Tuck.

While the drive was proceeding for the Christmas Fund, the club held two raffles, resulting in a net contribution of \$24.00 to the fund. In the annual inter-year hockey game at the Varsity Rink held in January, the Seniors were victorious over the Freshmen.

The big formal function of the year, the Pharmacy Club Banquet, was held in the Macdonald Hotel on February 1st. This was the most successful affair for many years, because of greatly increased attendance of representatives of the University Faculties, of the Alberta Pharmaceutical Association, of Wholesalers and Manufacturers, and of local druggists.

Le Cercle Français

Les réunions du Cercle Français ont connu cette année le même succès que l'an dernier. En dépit du fait que de nombreux étudiants ont été empêchés par leur service militaire de venir à nos réunions, grâce à l'activité, à l'enthousiasme de la présidente Mademoiselle Wood, de la secrétaire Mademoiselle Shaw et de la trésorière Mademoiselle Ladler, le nombre des membres du Cercle s'est élevé à 125.

Un coup d'oeil jeté sur le programme suffit à indiquer l'intérêt que présentaient ces réunions: La France en Guerre, Les folies du Monde Présent, Etudes Universitaires, Au Pays des Dictateurs, Ces braves Ecossais, Mein Kampf, Une Etudiante Canadienne à Paris, tels sont les sujets variés qui ont été traités. En outre, durant ces charmantes mais trop courtes réunions, nous avons eu le plaisir d'entendre des artistes de grands talents, pianistes, violonistes, cantatrices, etc. Enfin une comédie "Le Garde Forestier Solitaire," improvisée et interprétée par les étudiants a obtenu un vif succès.

Un banquet organisé à l'hôtel Corona et suivi d'un bal a marqué la clôture des réunions pour la session 1940-1941. Les membres du Cercle et leurs invités garderont longtemps de cette soirée un agréable souvenir.

A^{THLETICS}

Sports Executive

Athletic Directors

MR. JIM PANTON
Acting Athletic Director

MR. BOB FRITZ
Assistant Athletic Director

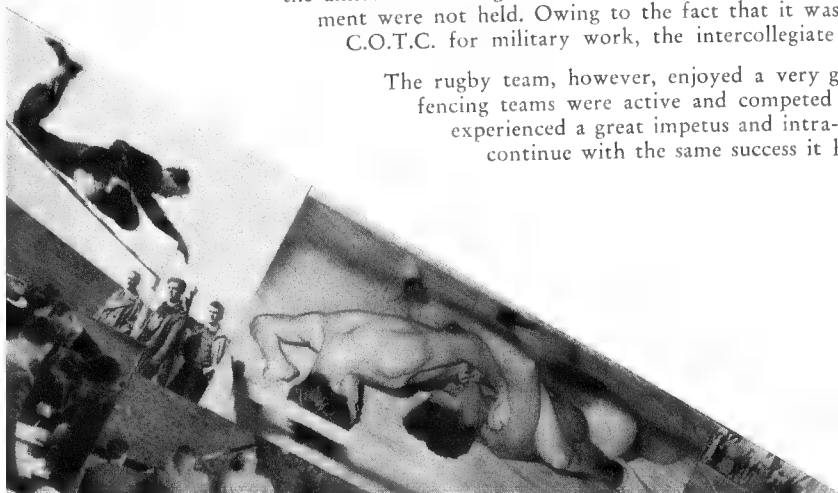

Acting Athletic Director Panton came to the Alberta campus in the fall of 1940, to take over the duties of temporary head of the Department of Physical Education. As one of the finest all round athletes and sportsmen produced in Saskatchewan, Panton gained his greatest fame at the University of Washington. As a track and field star, he represented the Dominion of Canada in the British Empire Games. After this highly successful and varied career as an athlete in Canada, the United States and Australia, he received a faculty appointment here with instructions to organize an intramural sports programme. Since his arrival the Department of Physical Education has assumed its proper status in the eyes of the students, for this session has seen an ever increasing appreciation of competitive games on the part of the student body—an inclination which undoubtedly will increase in succeeding years.

Mr. Panton's constructive ideas have instituted many highly successful innovations this session—Women's Physical Education, the Big Block Club, the Spiked Shoe Club, House and Interfaculty Leagues, Minor sports and indeed every branch of our athletic programme has benefitted from him active and comprehensive interest. This curriculum will be carried away from the university as will the name of its originator.

And so, Mr. Panton is in reality a member of the class 1940-41. His is a name which will be remembered in these halls much longer than the majority of our graduates. He will be remembered for his admirable personal qualities, his popularity and sportsmanship, his organizing and coaching ability and his conscientious efforts to help all branches of worthwhile endeavor on our campus.

Men's athletics this year had to carry on under the difficulties of wartime conditions. In spite of the military training for men, the students found enough time to play their regular interfaculty schedules in all branches of athletics, and, after a doubtful start, a programme of intercollegiate sport competition was completed between ourselves and the University of Saskatchewan. Because of wartime regulations at the first of the term, the annual intercollegiate track meet between the western Universities and the intercollegiate tennis tournament were not held. Owing to the fact that it was necessary to turn the University rink over to the C.O.T.C. for military work, the intercollegiate hockey series had to be dropped.

The rugby team, however, enjoyed a very good season. The basketball team, boxing, wrestling and fencing teams were active and competed against clubs from Saskatchewan. Interfaculty sport experienced a great impetus and intra-mural sports instituted for the first time, is hoped to continue with the same success it had this year.

Rooters' Club

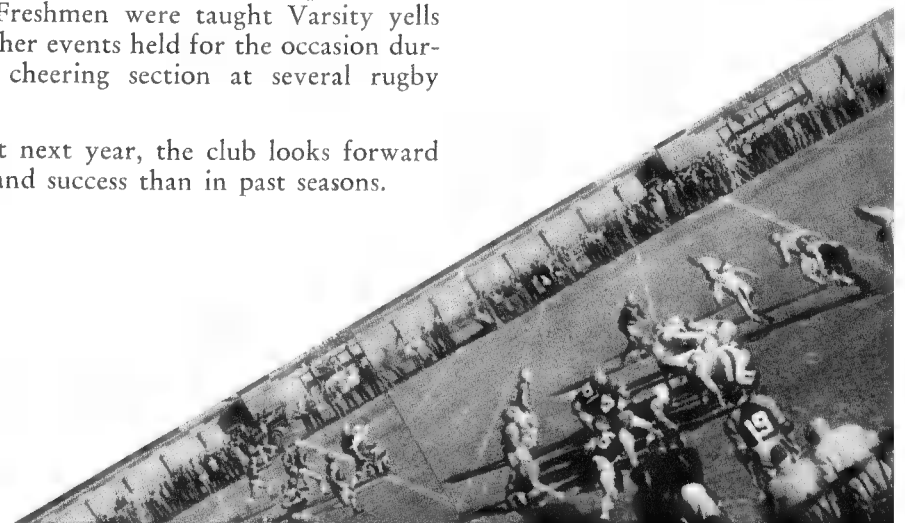

Jack Burrows Mabel Attwood Fred Kendrick

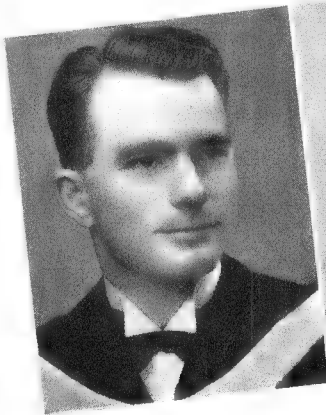

The Rooters' Club in past years has attempted to rouse school spirit and enthusiasm at all athletic events and other occasions. Its success has been repeated again this year with the help of the efforts of its members and the responsive attitude of the spectators.

Although its activities were somewhat curtailed because of the lack of intercollegiate sport this year, the club was able to stimulate Varsity spirit at numerous other times during the term.

At the beginning of each term the Rooters' Club takes a major part in the many and varied activities of Freshman Week. Freshmen were taught Varsity yells and songs at several pep rallies, smokers and other events held for the occasion during the first week. The Club also directed the cheering section at several rugby games later in the fall.

With the renewal of intercollegiate sport next year, the club looks forward with expectations towards even more activity and success than in past seasons.

BOB FRITZ
Coach

The 1940 rugby season may be said without fear of criticism to be the most successful of recent years. Because of the suspension of intercollegiate competition this year, naturally the sport was laboring under a handicap. However there was no lack of spirit either among the players or spectators, and the games which were arranged were well attended by enthusiastic crowds.

Newly appointed and justly famous Coach Fritz heightened his reputation as a developer and coach of gridiron talent by taking a comparatively new team and moulding it in the space of a few brief weeks into one of the finest football squads ever to wear the Green and Gold.

In five Edmonton League games the Bears piled up a substantial number of points while yielding only a few to Senior as well as Junior teams. The final league standing left the victorious Bears unbeaten.

The resumption of intercollegiate sport was announced unexpectedly late in the season, and the climax of the season came in a hastily arranged post-season game with the Saskatchewan Huskies. Although the Huskies up to last season had been vic-

torious over Alberta for the last eight years, the spell was broken last year. This season, last year's victory was repeated by sending the Green and White back to Saskatoon under the burden of a 27 to 5 defeat. Negotiations for a return game and also for a series with U. B. C. fell through because of the lateness of the season.

Tribute must be paid to Coach Fritz, Assistant Coach Broadfoot, Athletic Director Panton, Manager Torrance, Trainers MacLaren and Shortliffe as well as Captain Jack Millar, who played outstanding rugby all year. Tribute also goes to every last man who turned out this year, with little or no hope of tangible return from the sport—truly these men play the game for the game itself.

DUE to several unavoidable obstacles, Senior Hockey was not a highlight in winter sports this year. The loss of our covered rink affected the team because it rendered impossible the formation of a city intermediate league, which in the past years has afforded many interesting games. The only available games this year were four played away from home with Lacombe and Wetaskiwin of the Central Alberta Intermediate League, and three games played in the city with the E.A.C. and the Maple Leaf Juniors.

The University of Saskatchewan's rink is now being used for military training, and thus they were unable to form a team to compete with Alberta in the Western inter-collegiate series for the Halpenny Trophy, which we still have in our possession.

This year a new scheme was inaugurated with the Edmonton Flyers whereby they had the power to call upon any players which they might need, in return for which we were given ten practice hours in the city arena. Three players were called upon, they were Pat Costigan, George Stuart, and Bud Chesney, all of whom have starred with the Varsity club for several seasons now.

Coach Stan. Moher called upon many new men this year such as Harry Leggett, Jim Taylor, Bob Schrader and Jack Minchin, all of whom showed up very well. Several of last year's men turned out again to bolster the strength of the club, namely Bob Torrance, Ed Crowder, Mag. Santopinto, and Gordon Darling, and these players turned in their usual stellar performances.

Basketball

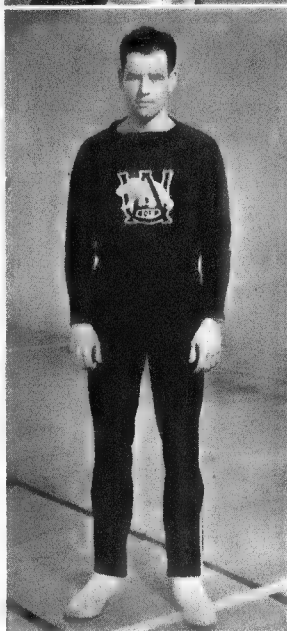

"BRICK" YOUNIE
Captain and Guard

Men's Senior Basketball

ALTHOUGH for the seventh consecutive year Alberta has failed to wrest the Rigby Trophy from the University of Saskatchewan, basketball enjoyed one of its most successful seasons this winter.

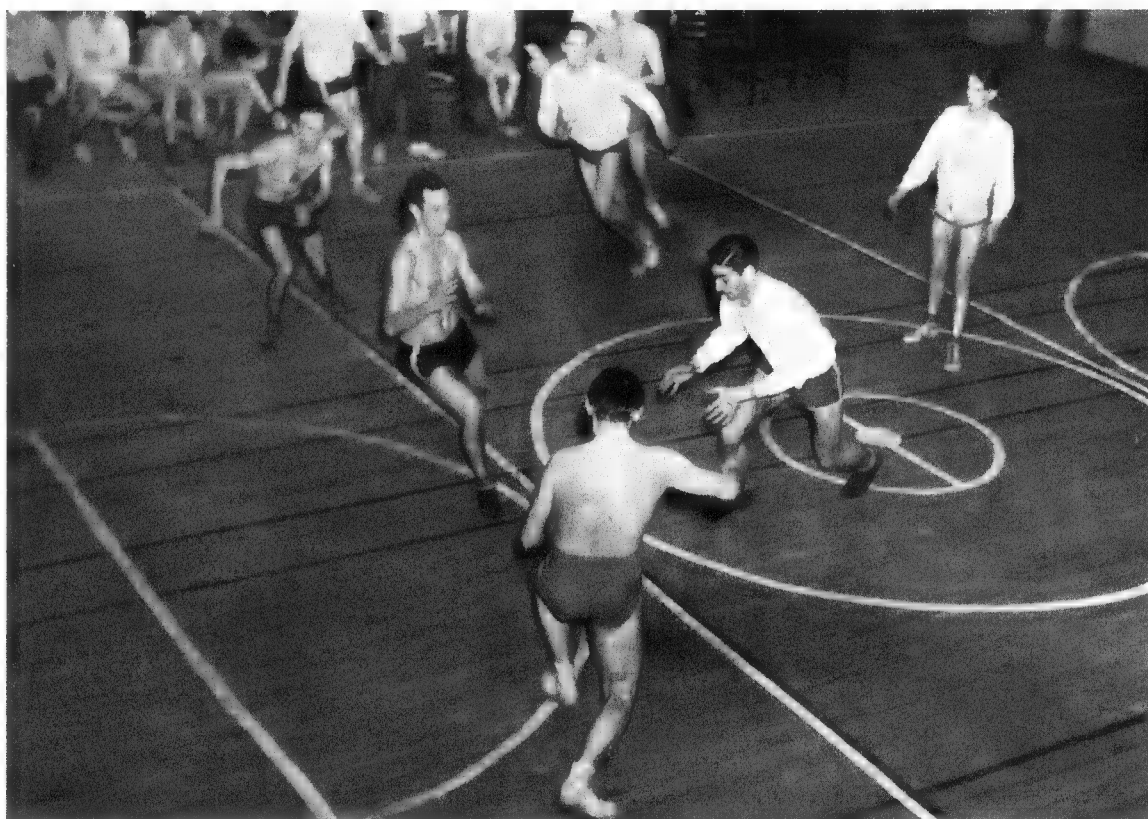

With six reliable veterans back from former years the prospects at the beginning of the season appeared very bright. On top of this we were fortunate enough to have as coach, Jim Panton, who

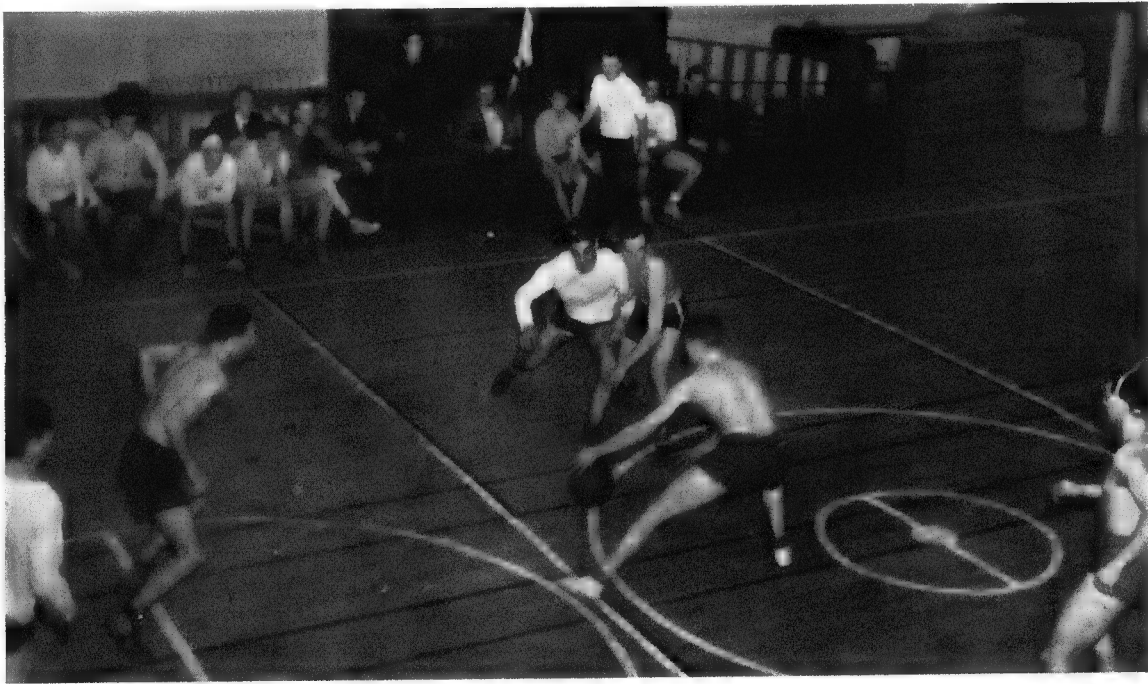

JIM PANTON
Coach

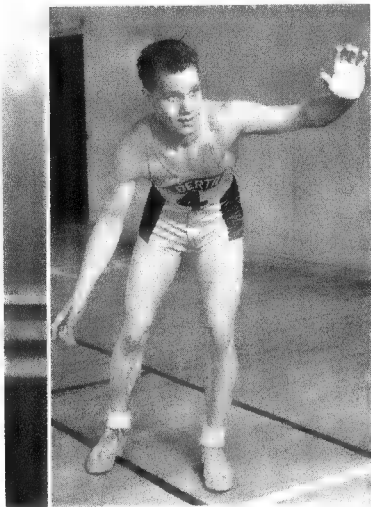

CHARLIE GILES
Manager

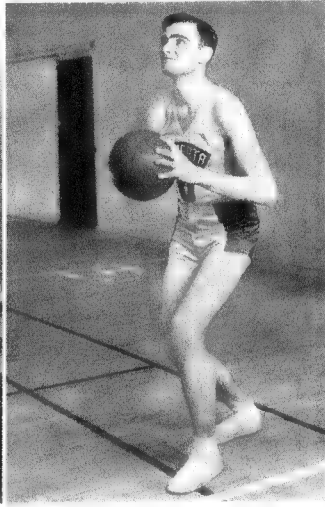

possessed the ability of being able to bring out the best in the boys at all times. At the beginning of the season a city league was formed with two overtown teams and Varsity. However, just as it was getting well under way, the Auroras had to drop out as they found that they would be unable to field a team due to the fact that several of their players were joining the army. At the time the league folded up, Varsity was leading the league, and had not lost a game.

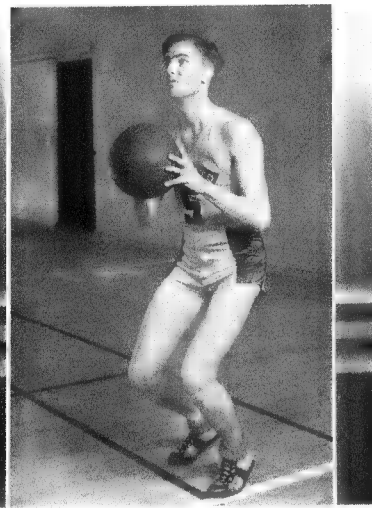

Following this came the series with Saskatchewan. In the early part of February Alberta travelled to Saskatoon for the first two games of the four game series. The Huskies emerged victorious in both games by the close scores of 32-26 and 31-30.

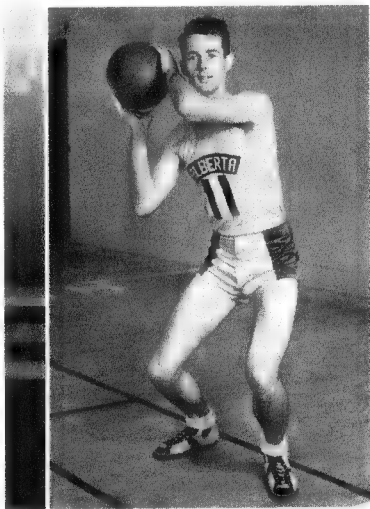

FAY ANDERSON

EARL DIXON
Guard

SAMMY MOSCOVICH
Forward

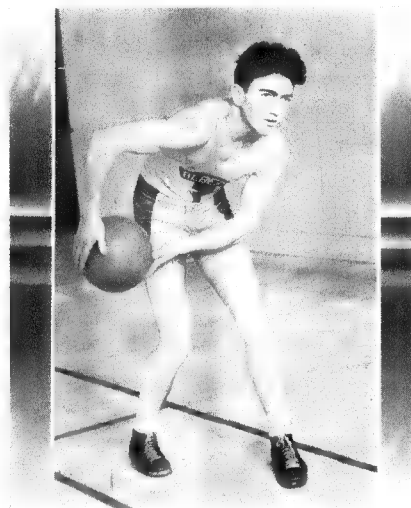

KEITH HORSFIELD
Guard

At the end of the month Saskatchewan came here for the remainder of the series. Alberta was victorious in the first game by the score of 40-35. However the boys slumped in the crucial final game and were beaten 32-21.

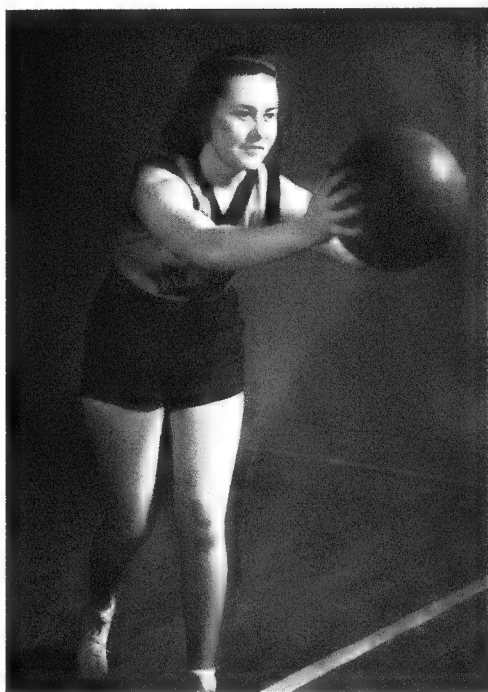

Alberta was unfortunate this year in losing the services of Stan Cameron just before the intercollegiate series because of ill-health.

Graduating this year are Brick Younie, Dave McElroy, Earl Dixon and Wally Stinson. The rest of the team will be back for another season.

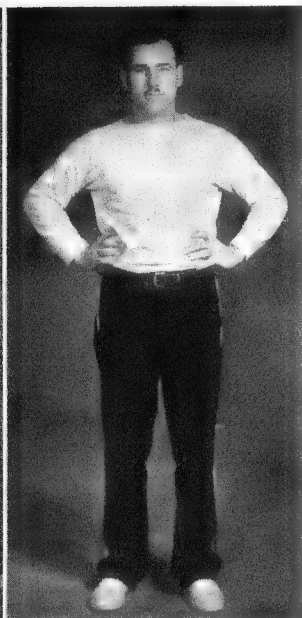

Everyone on the team is sorry to see the coach, Jim Panton, leave. Possessed of expert basketball knowledge, the ability to impart it to others, and being accorded a degree of respect and confidence by the players which few coaches attain, Jim set a standard of sportsmanship which will be hard to beat.

Women's Senior Basketball

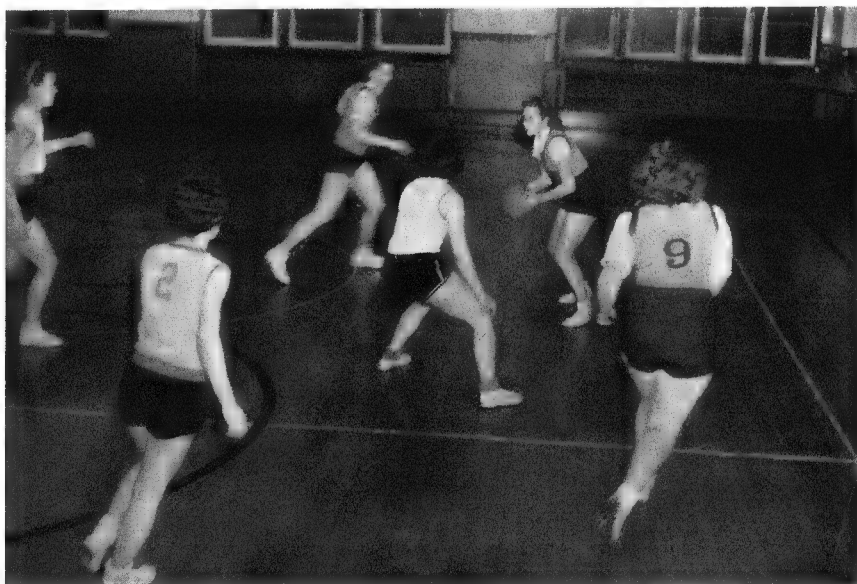

T

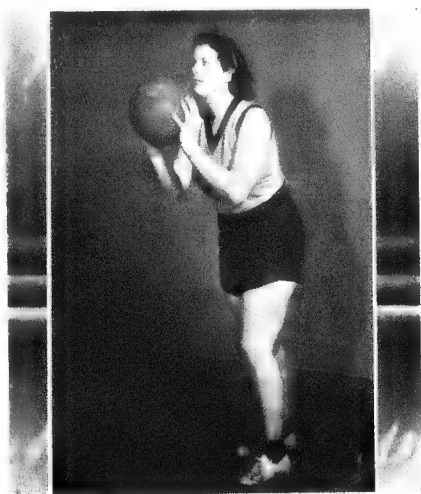

HE women's basketball team worked under two very strong handicaps this year; firstly, in that there was no city league formed and secondly, graduation took seven-tenths of last year's team.

However, under the able direction of their new coach, Bob Fritz, a strong team was built up around the three veterans, namely, captain Mona Asselstine, Jean Robertson, and Margaret Gulick. The new members of this year's team were Jean Hill, Pat Foster, Christine Willox, Margaret Willox, Kay Lind, Louise MacAuley and Maureen Maxwell.

JEAN ROBERTSON, Centre

This was the team that travelled to Saskatoon in February to play the intervarsity two-game series against the University of Saskatchewan for the Cecil Race Trophy. Due mainly to lack of experience, Alberta went down to defeat in the series but with customary Alberta spirit, the girls fought hard all the way until the final whistle of each game.

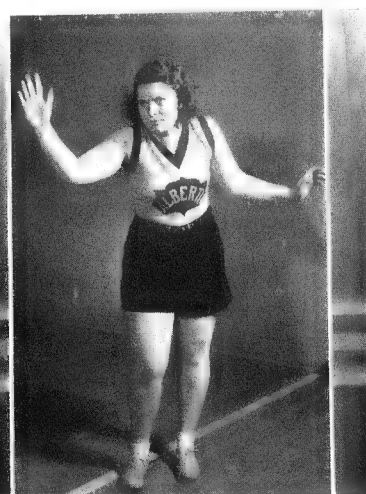

The yearly Co-ed vs. Professor game was held in aid of the University Christmas Fund. The game this year proved as popular and as amusing as in former years. The girls turned out for the

THE ban on Intercollegiate competition somewhat reduced the turnout for track. Those who trained for the Interfaculty meet were rewarded by receiving the new ideas and expert coaching of Mr. Panton. So much improvement was evident after a short period of coaching that a new spirit overtook the athletes and they determined to build for next year's team and the regaining of the Cairns trophy. The first step in this direction was the organization of the "Spike Shoe" club, which meets monthly to hear talks on matters of interest to track enthusiasts, and to see movies of track meets and famous athletes in action.

The Interfaculty meet was held on Thanksgiving Day, as it was felt this postponement to the regular Intercollegiate track day would give the athletes a better chance to get into condition. However, as usual, the weather man failed to co-operate and the day was chilly with a raw wind. Combined with the fact that the Varsity Rugby team was playing an interesting match overtown, interest waned and the competition was cut short.

The Interfaculty meet saw the introduction of several new track innovations sponsored by Mr. Panton, and we would like to extend our gratitude for his untiring efforts to give Track a new deal.

Women's Track

OMEN'S track had a very successful season despite many discouraging factors such as cold and wet weather, military training on the grid and no intercollegiate meet.

The season's training began with a goodly number of freshettes plus two past members under the able coaching of Mr. Panton our new Athletic Director.

On October 11th the girls entered competition in the interfaculty meet. Much enthusiasm was shown by both contestants and fans. Those taking part were Marg. Gulick, Anna Kapuscinski, Marion Blackburn, Gwen McAuley, Dorothy Clarke, Kay Lind and Doris Danner.

Owing to the fact that the team was not travelling Mr. Panton arranged a meet with the Normal School girls. The meet was held October 19th, at the South Side Park. The University team topped the Normal girls by a narrow margin of two points. Members of the team representing the University were Kay Lind, Anna Kapuscinski, Doris Danner, Marion Blackburn, Marg Gulick and Gwen McAuley.

Kay Lind a freshette of this year has shown the makings of an excellent athlete. We are expecting big things of her next year.

Minor Sports

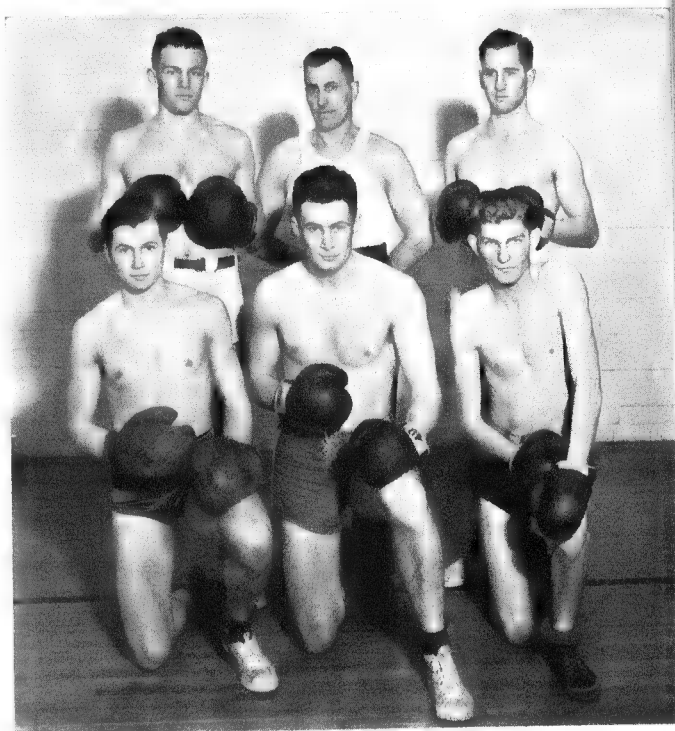

Boxing

The Boxers and Wrestlers parted company this year and formed two separate clubs. The Boxers had a very successful year under the leadership of President Jim Flynn and Secretary John Dixon. Work-outs were held on Tuesday evenings and Saturday afternoons this year and the boys are to be congratulated on their enthusiasm and regular attendance in spite of their heavy time-tables.

Most of the former members turned out again and many promising newcomers were started on their way to a successful fistic career. As in the past the Interfaculty Tournament was a great success, equalling any of those in the past for excitement and thrills. Many of the beginners upset the calculations of the "experts", by winning their bouts against boys with more experience in the ring.

The Club had difficulty in obtaining a coach this year and lost him in the middle of the fall term because of pressing business and his army training. However the boys carried on until Christmas with the help of the Club's old coach and advisor, Wally Beaumont. During the new year, a strong team, for the Annual Assault at Arms with Saskatchewan, was chosen and trained by the new coach Alex Wynnychuk.

INTER-VARSITY BOXING TEAM

John Dixon	Alex Wynnychuk (Coach)	Lloyd McLaren
Hugh Buchanan	Les Willox	Jim Flynn

BOXING CLUB

Back Row—Moe Hanson, Stew Sinclair, Stan Edwards, Les Willox, Ossie Stubbs, Bob Roche
 Middle Row—Pete Sereda, Lloyd McLaren, Jim Flynn, Alex Wynnychuk (Coach), John Dixon, Wilf Hahn, Duncan McCracken
 Front Row—Hugh Buchanan, Jim McCracken, Steele Brewerton, Otto Hauck

WRESTLING CLUB

Back Row—Bill McPhail, Orville Taylor, Carl Rolf, "Deep" McDaniel, Ed. Lewis, Dick Corbet, Clem Brooks
Front Row—Ted Smith, Stan Pearson, Cec Robson (coach and mgr.), Al Trott, Don (Dopey) McCormick, Earl Christie

INTER-VARSITY WRESTLING TEAM

Ted Smith, Stan Pearson, Cec Robson (Coach), Al Trott
Herb Wilson, Earl Christie, Don McCormick

Wrestling

This year, the Boxing and Wrestling clubs gained sufficient recognition to operate as two separate organizations, an arrangement which proved very satisfactory. Both clubs enjoyed a very satisfactory season.

Army training greatly hampered workouts and it was difficult to have all the team out at once. However, two regular periods were used together with a Saturday afternoon workout.

The Interfaculty Boxing and Wrestling Meet was very well attended and gave our intervarsity team good experience.

In the Intersarsity Assault at Arms held this year in Saskatoon, our team turned in one win and one draw towards the winning of the Neilson Trophy. The team was coached and managed for the third year by Cec Robson.

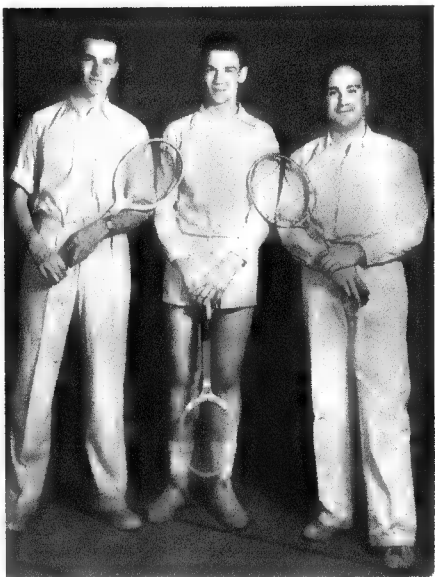

ARCHERY CLUB

Back Row—Blanche Wallace (President), Margaret Fraser, Jean Clark, Margaret Graham, Helen Soldan, Betty Montgomery, Roma Ballhorn, Mary Chandler, Betty Ross, May Miller
 Front Row—Watson MacCrostie, (Coach), Doreen Stetson, Dorothy Graham, Eva Wheeler, Betty Tregale, Ethel Fife, Calvin Fletcher (Coach)

Archery

The Archery Club enjoyed increased membership this year when about twenty-five girls enrolled at the first meeting. With the advantage of a longer range offered in Athabaska Gym, and under the able coaching of Cal Fletcher and Watson MacCrostie, shooting was greatly improved. Meetings were held Monday and Wednesday nights from seven until eight.

The absence of an overtown team prevented the usual competition, but it was replaced by an intramural meet held on March 6th, in which six of the nine groups were represented. The manager's award this year went to President Blanche Wallace.

TENNIS TEAM

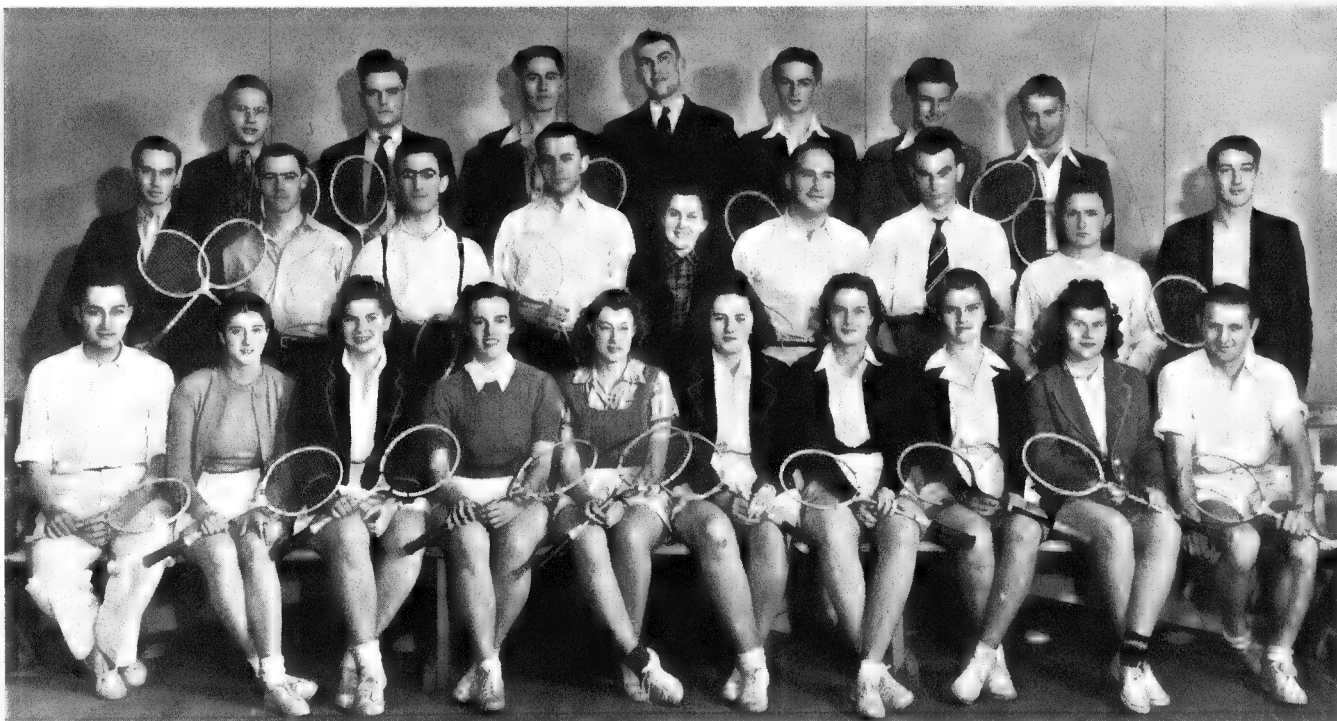

Bruce Sangster, Jack Gregg, Emile Gamache

Tennis

The activities of the Tennis Club have been greatly restricted this year by a number of factors.

The weather proved to be a serious drawback to the tournament which was attempted but never completed. As a result new tennis champions have not been crowned for the year although we have several promising players on the campus assuring Alberta of a strong tennis team for next year.

The loss of Intercollegiate Tennis has been a sad blow to the Club as the hope of making this team creates a good deal of added interest in the tournament held in the fall. The strong possibility of the return to the campus of a full program of Intercollegiate Sports gives us reason to believe that next year the Tennis Club will enjoy the success it has enjoyed in the past.

BADMINTON CLUB

Back Row—R. Dutka, C. Acheson, E. Anderson, R. Inkpen, H. Hankinson, N. Lundy, D. Ross
 Middle Row—C. Pine, T. Davidson, N. Starr, S. Kostashuk, D. McCoy, E. Gamache, K. Gibbons, M. Howey, S. Edwards
 Front Row—J. de Hart, B. Fetherstonhaugh, J. Hutchinson, C. Fergie, G. Rowan, M. Hannah, J. Farman, G. Shaw, J. Kelso, C. Donaldson

This year the Badminton Club enjoyed a most successful season, with the largest membership in the history of the club. Members gathered in Athabaska Gym. Wednesday, Friday and Sunday evenings to play this most enjoyable of indoor winter sports.

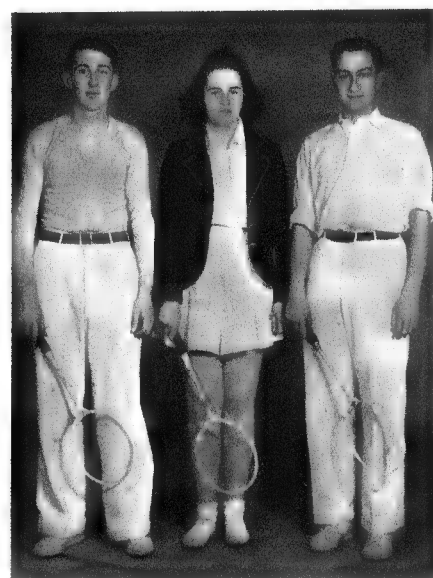

The year was started off with a Round Robin Tournament. In January the annual elimination tournament was held, in which Bob Inkpen and Kay Fergie carried off the men's and ladies' singles respectively. The Club had a party and dance in St. Joseph's Assembly Hall to which the Faculty badminton club was invited. This is the first function of its kind in the Club's history.

The University was represented in the Edmonton City Badminton Tournament by Kay Fergie, Jean Hutchinson, Bob Inkpen and Bert Wilkins. Kay Fergie and Jean Hutchinson travelled to Saskatoon to meet a Saskatchewan team. Although they were unsuccessful they displayed fine badminton talent.

Intervarsity Badminton Team

Kay Fergie Jean Hutchinson

Margaret Hannah
 Vice-President
 Stan Edwards Jack de Hart

INTER-VARSITY FENCING TEAM

Margery Upton, Aubrey Olsen, Leonard Gads (Coach), Ben Samuel, Hilda McConkey, Kay Van Der Mark, Ed. Brooke

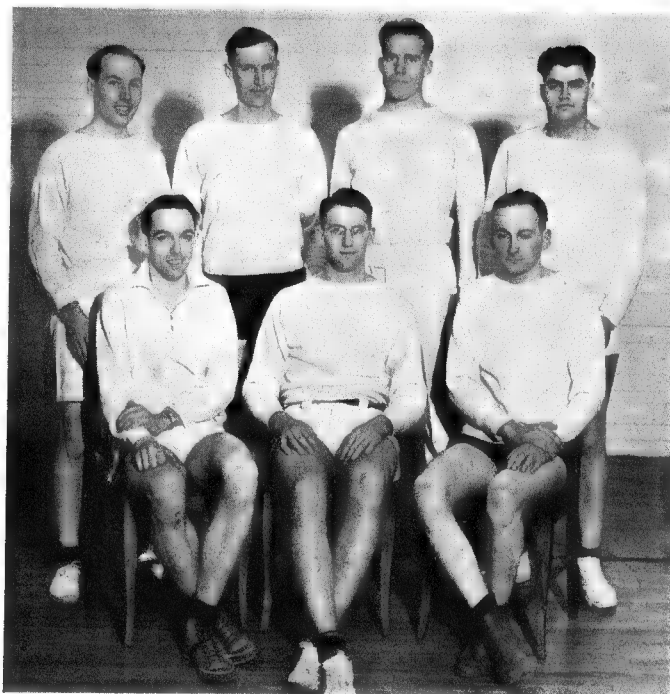

ARTS TEAM—INTER-FACULTY BASKETBALL CHAMPIONS

Back Row—H. Shortliffe, L. Grisdale, R. Dumont, H. Anderson, R. Went, R. Warshawski, J. Metcalfe
Front Row—P. Baker, R. Schrader, J. Dixon (Mgr.) S. R. Moscovich (Coach), K. Bradshaw, B. Kelly

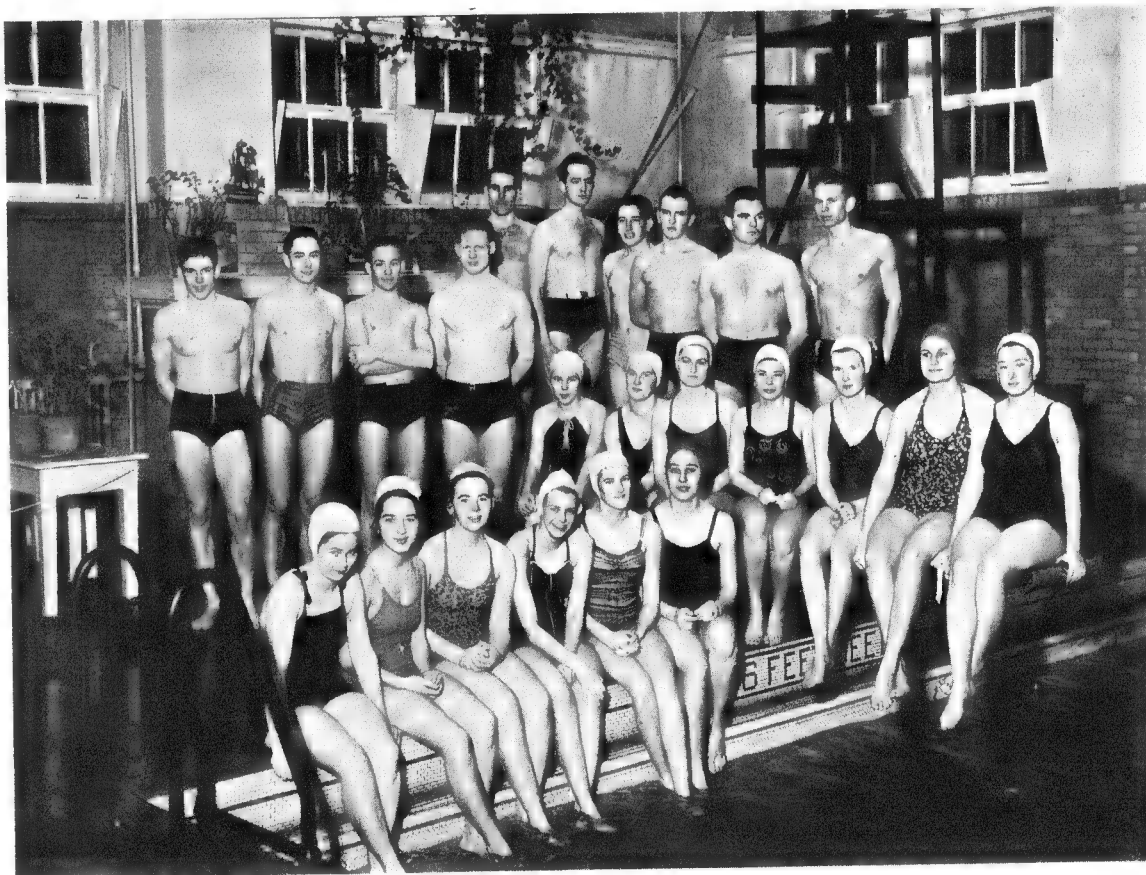

THE NURSING TEAM HOUSE LEAGUE BASKETBALL CHAMPIONS

Betty Owsley, Mabel Weeks, Margaret Stewart, Peggy Redmond
Inez Norem, Irma Underdahl, Vera Funk

THE COLLEGE OF EDUCATION TEAM INTERFAC. VOLLEYBALL CHAMPIONS

Front Row—Tom Siddall, Jack Ellis, Fred Webber
Back Row—Bob Gulliver, John Toogood, George Price, Morris Zaslow

SWIMMING CLUB

Front Row—Victoria Wachowich, Norma Kreutz, Babe McKenzie, Les Anderson, Beth Rankin, Jean Funk.
 Second Row—Pam Woodruff, Violet Davidson, Lenora Wallace, Shauna Little, Margaret Keillor, Honor Evans, Gerdine Rowan
 Back Row—R. Jackson, B. Rowan, N. McClary, C. Ward, D. Campbell, B. McDiarmid, D. Sinoski, T. Magee, J. Flavin M. Bevan

Swimming

The membership of the Swimming Club this year was the greatest for quite some time and speaks well of the interest taken by the students, considering the lack of facilities. The turn-outs for the weekly overtown meetings were consistently good for the entire season.

Both teams were fairly strong this year with the men's team showing up very well. For the first time in the history of the Club the men's team showed promise of ability to win an Inter-Collegiate Meet. Tom Magee and Robin Jackson were two outstanding freshmen who can make a good showing.

The coaching was in the hands of Jim Panton, our Athletic Director, who filled the position very ably, particularly in being able to hold the competitive swimmers' interest with only the prospect of an inter-faculty meet.

The selection of the teams was based on this meet.

Women's Team—Marg. Johnson, Lillian Gibson, Honor Evans, Beth Rankin, Shauna Little, Girdine Rowan.

Men's Team—Robin Jackson, Tom Magee, Cedric Ward, Bob McDiarmid, Norm McClary, Brian Gore, Jack Flavin.

SOCCER TEAM

Back Row—C. S. Donaldson, M. W. Feniak, E. R. Scammell, D. C. Jones, J. W. Reynolds, D. Rose, S. B. Gelfand, G. T. Kokotailo, N. Edwards, R. G. Reynolds
 Front Row—T. H. Rappel, E. Crowder, J. A. Sinclear, Coach Webster, I. Smith, R. A. Spence, R. E. Dickson

The Soccer Club this year found it impossible to carry on with the usual Interfaculty League because of necessary army training. Two different teams, both lacking practice, played two games with Scona High, the first game resulting in a 1-1 tie, the second a 5-1 win for Scona.

At the annual banquet held at St. Joe's Tuck, Mr. Jim Panton made some valuable suggestions for the future conduct of the club. Acting Executive for the 1940-41 season, elected at the banquet, were, Mr. Jack Reynolds, President; Mr. Mike Feniak, Executive; Mr. Ray Dixon, Executive.

The members of this year's team wish to extend thanks to Mr. G. B. Taylor, Coach; Dr. H. Johns, Honorary President; and Mr. Jack Sinclair, Captain, for aiding us in a difficult year.

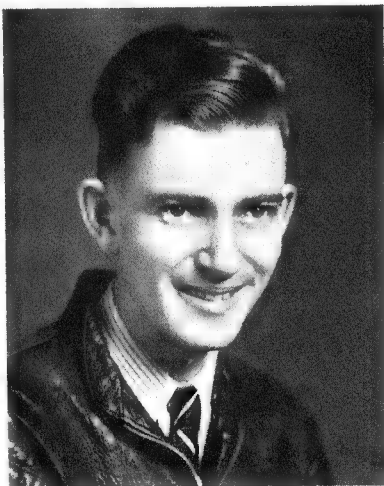

ENGINEERS' TEAM—INTERFACULTY CHAMPIONS

Back Row—"Speed" Clayton, "Biff" Smith, "Pug" McLeod, Mgr. Yeats, "Bullet" Simpson, "Hal" Haverstock
 Front Row—"Broadway" Steed, "Livewire" Dewis, "Joe" Ryski, "Cyclon" Swift, "Goal Miner" McDougall

Outdoor Club

FRANK WOODMAN
President

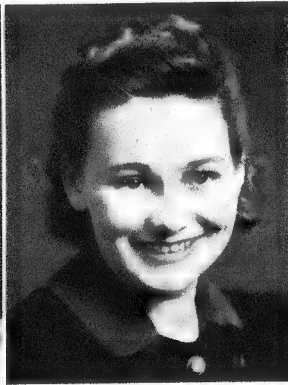

The Outdoor club has enjoyed its usual successful season, and several new projects were undertaken. Each year, it has been the policy of the club to try and make some lasting addition to the general lay-out of the club, either to the cabin, or to the skiing and tobogganing facilities at the hill. This year, the problem of adequate fresh water was settled by constructing a well behind the cabin, and it most surely has proven to be a great convenience. The ski slope was further enlarged, and tentative plans for building a kitchen annex to the cabin during the summer months were drawn up.

Activities got under way with a grand hay ride and bon-fire, followed by a general meeting at which Dr. H. E. Bulyea, honorary president of the club for the third year, presented colored slides which he had taken during the summer. With the coming of the skiing season, the club hill proved to be a popular meeting place on Sunday afternoons. Sleigh riding, tobogganing and hiking were popular.

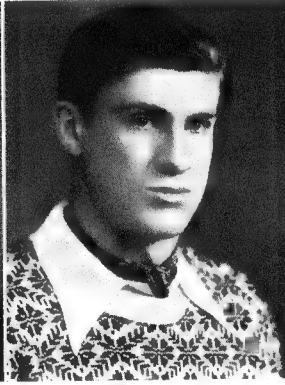

Winners of the club tournament were Bob Crosby, Bob Freeze, Neil Carr, and Art Horsfall. Winners among the women were Gladys Smith and Helen Jenkins. The Varsity ski team captured first place and the Peterborough trophy in the Edmonton City meet.

Front Row—Alma Ballantyne, Enid Parsons, Kathryn Frey, Norma Smith, Clare Reed

The Intra Mural Athletic Program was set up to provide some form of Athletics for every girl on the Campus.

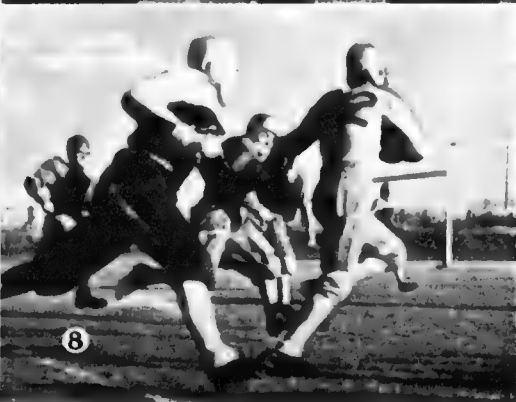

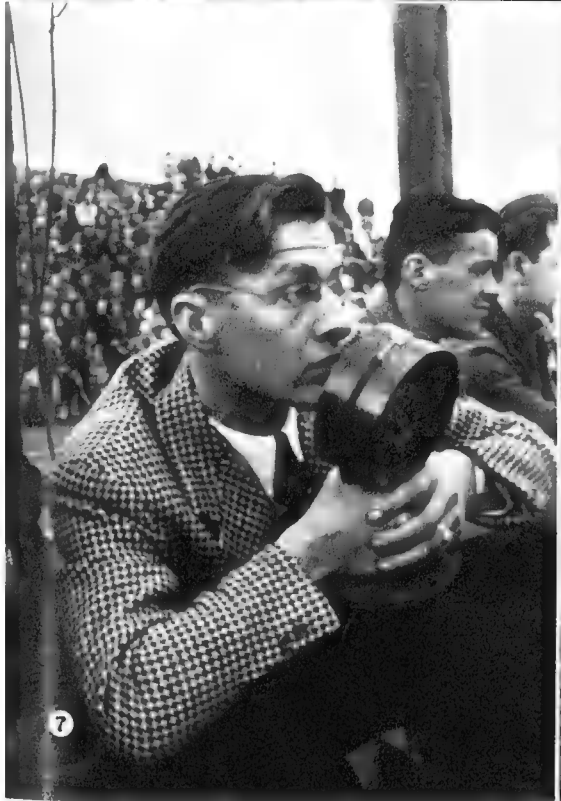

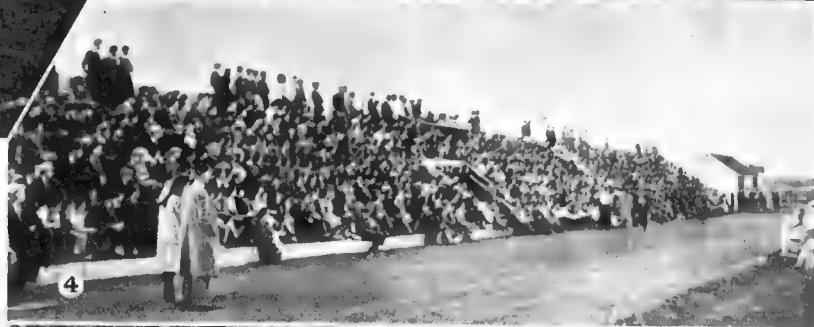

We are greatly indebted to Mr. Jim Panton for all the work and effort he expended in helping the Women's Athletic Association to organize and put into effect this new athletic program. Through this program Mr. Panton has created interest and enthusiasm in sports, great enough to have approximately 175 girls competing on eight teams. This figure is very significant if compared with other years.

Girls may choose their sport from Track, Tennis, Golf, Basketball, Badminton, Swimming, Skiing, Volleyball, Archery. Competition is held in each of these sports and the Intra Mural Athletic Trophy is awarded to the team with the most points. Points are awarded for entrance, and for 1st, 2nd and 3rd place. Because the program was not introduced until after Christmas it was impossible to hold competition in Track, Tennis and Golf, but next year it is hoped that competition in these sports will meet with the success shown by the others this year.

The Trophy was won by the College of Education this year. The winning teams in the different sports were: Swimming, Delta Gamma; Basketball, Nurses; Archery, Pembina; Volley Ball, College of Education; Badminton, Pembina.

To participate in Intra Mural Athletics a girl doesn't need to be outstanding. All that is required is that she be interested, because in this program there are no individual stars. It is team work and enthusiasm among the members of the team that counts.

Because all the women students are members of the Women's Athletic Association, this new Athletic Program has been introduced to provide some form of sport for every girl on the Campus.

Chief Instructor

As a result of the continuation of the war and the military disasters of the summer of 1940, the training of the C.O.T.C. for the university session 1940-41, was greatly intensified. The contingent remained under the able command of Lieut.-Colonel P. S. Warren, who was assisted by Major G. M. Smith, the second in command, and a full time staff which included the adjutant, the orderly-room sergeant and clerks, and the quartermaster sergeant. The four companies were under the command

of Captain R. M. Hardy, Captain R. A. Smith, Captain D. E. Smith, and Lieutenant D. McN. Healy. Lieut.-Colonel E. H. Strickland, a former O.C. of the unit, and a brilliant lecturer, was in charge of all instruction, on a full time basis. The instruction in the various arms was given by the following officers: Lieut. D. P. McDaniel (Artillery), Captain R. M. Hardy (Engineering), Captain R. A. Smith (Medicine), Lieut. C. E. B. Conybeare (Signals), and Lieut. A. M. Burka (Infantry). Three two-hour parades were held each week, and qualifying examinations were written in December and March. Uniforms were

available for the C.O.T.C. by Christmas, and since the wearing of them was made compulsory at all parades, the university campus was given a definitely military appearance.

The adoption by the government during the summer of the policy of calling up all able-bodied men of the ages of 21, 22, 23, for compulsory training, raised an immediate problem for university students. By an arrangement with the government, however, it was decided to form an Auxiliary Battalion, attached to the C.O.T.C., in which university students could take training equivalent to that given at the Training Centres, and so be relieved of the necessity of interrupting their academic work. Since the University authorities decided to make military training obligatory for all male students, not merely those of calling age, the Auxiliary Battalion had a strength of nearly 700 men. The instruction of this unit has been in the capable hands of Lieutenant W. A. Milroy, a student officer who was called out on full-time duty. He has been assisted by a staff of officers and N.C.O.'s posted from the C.O.T.C.

Officers' Annual Mess Dinner

The annual training for both the C.O.T.C. and the Auxiliary Battalion will be completed by two weeks in camp, from the 1st to the 15th of May.

The main task for the C.O.T.C. now is to train officers for active service. A large number of last year's officers and cadets joined up during the summer of 1940 and are now either in regiments on active service or in various advanced training centres. During the winter further calls have been answered by C.O.T.C. officers and cadets, and with the opening of intensified hostilities this spring a great many more are offering their services and being accepted. It is our hope that by means of the training being given in the C.O.T.C. the men of the University of Alberta will take a conspicuous part in the national effort which is being made towards the achievement of victory and the re-establishment of an honorable peace.

In Appreciation

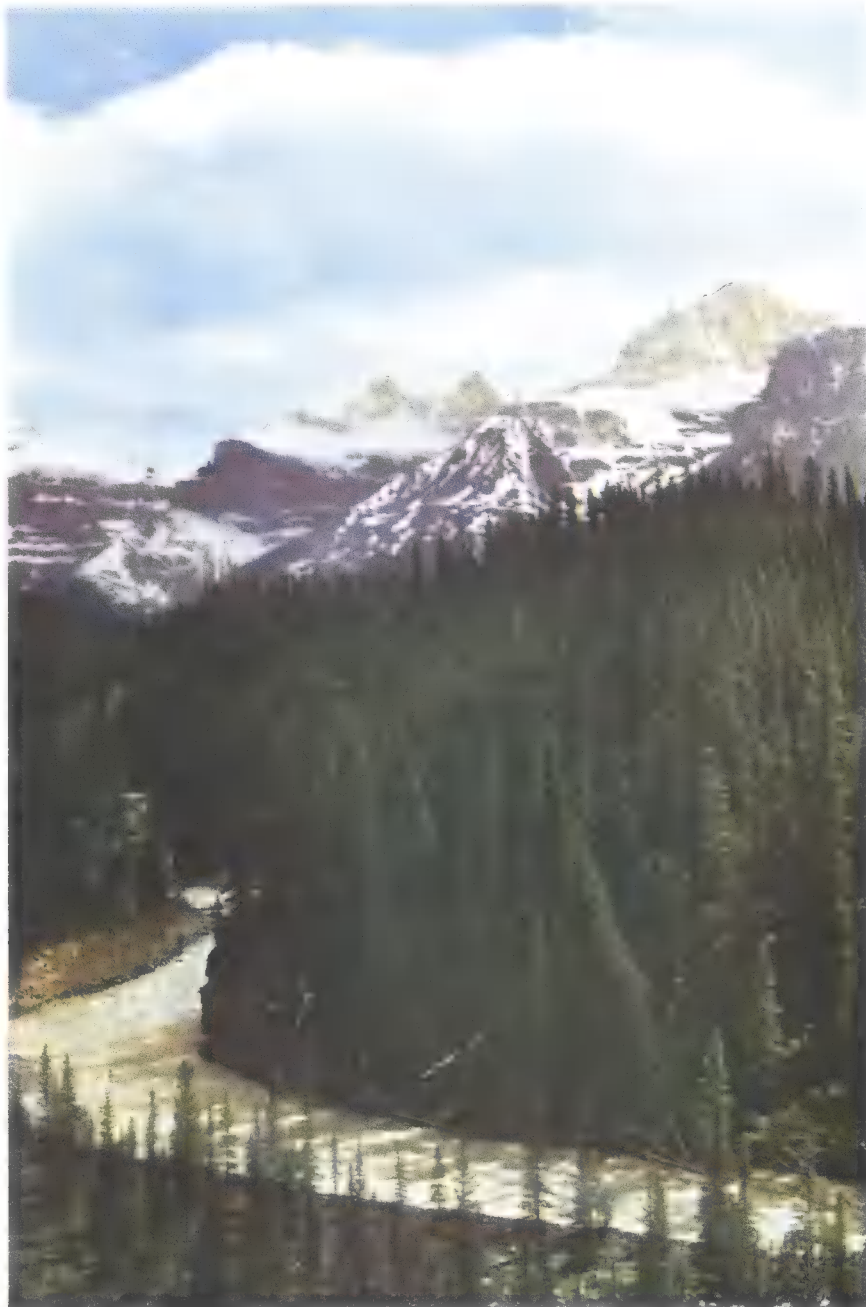

At last the nineteen forty-one year book is completed. As I turned the pages of the proof copy I realized that such an accomplishment is only possible as the result of perfect co-operation of everyone associated with its production. Therefore on this last page I wish to extend my thanks to the students, staff, engravers and printers.

I hope these words of thanks will not be accepted as an empty formality but with all the connotation that only deep-felt appreciation can express.

A. M. BURKA,
Director.

10024 101 St., Edmonton Phones 25444 - 26777

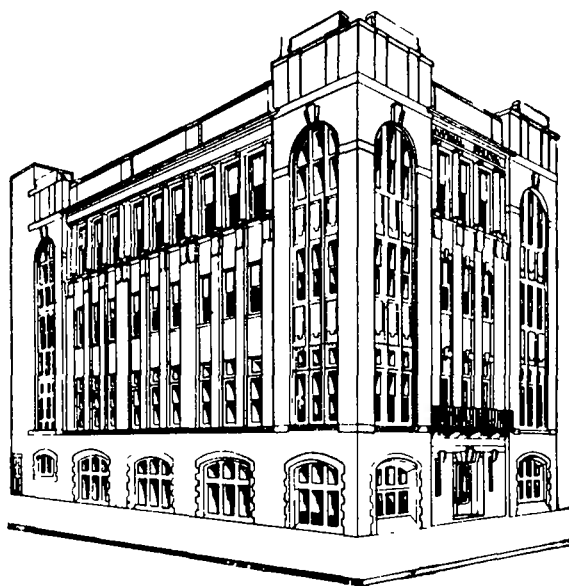

OVERLOOKING the Saskatchewan valley at 101st St. and Macdonald Drive, the Journal building stands out as a landmark in the life of this city and province.

Here the news of the world is gathered and published daily.

From this point 600 carrier boys, 100 street boys, 400 news-dealers and 500 postmasters distribute the JOURNAL day by day to the homes in which accurate reporting, wholesome features, constructive editorials and interpretive articles have built well-merited reader confidence.

This confidence in the JOURNAL is reflected in its circulation coverage of every district in Edmonton, in every town and village, and in the farm homes throughout central and northern Alberta.

Edmonton Journal

"ONE OF CANADA'S GREAT NEWSPAPERS"

Pleasing . . .

Extensive, up-to-the-minute equipment operated by skilled craftsmen; a pride in an enviable reputation of doing better printing; careful attention to the needs of the buyer; a consultative service operated to enable customers to get the greatest possible value for their printing dollars---all these add up to a complete printing service in which quality, price, and promptness of delivery are just right.

WITH grim determination this young and virile nation dons her armour buckles on her sword. From coast to coast the tempo of Canada's war effort accelerates. Tanks, planes, shells, foodstuffs and equipment of every kind are being rushed and massed for victory. Canada means business.

**Personal Sacrifice Must Match this
National Effort**

Yours is the duty of providing the dollars so vital to Canada's war needs. Yours is the duty to **save** that you may be ready and able to lend your money to the nation when the call for money comes.

Money, no less than men and machines, is a decisive factor in this war. Thrift is a national necessity.

Ready for Life in the Modern Manner

WHEN graduation is over . . . the world of reality lies ahead. It is a world which the university graduate is eager and ready to face. Perhaps she dreams of making a name for herself, or carving out a brilliant career. But even deeper than that, in the very heart of her, are dreams of a home of her own . . . not just an ordinary home of endless toil and drudgery, but one of charm and freedom in which she will have the time to express her newly acquired knowledge, and follow up her many new interests. Such a home is made possible with Electricity and modern Electrical Appliances. Electricity gives freedom—for living in the modern manner.

Calgary Power Co. Ltd.
"SERVING ALBERTA"

AN INDUSTRY *Pledged* TO THE FURTHERANCE OF AGRICULTURE

● Founded and developed on the basis of helpfulness to the farmer, the implement industry is entirely dependent on the prosperity of agriculture for its own success.

Through the years the implement maker has, with quality of product and genuinely helpful service, won the high regard and goodwill of the users of his product. There are few farmers who do not value sincerely the service of the implement company.

Lack of understanding of some of the problems of the industry may give rise on occasion to criticisms that seek to detract from or disparage the part that the implement maker plays.

In the light of the facts, however, misunderstandings vanish and a better appreciation results.

Farmers' Equipment Investment Greatly Reduced

Most of the discussions on prices of implements, comparing them with those of years ago, for instance, fail to take cognizance of the improvement in methods that have taken place, resulting in the use of different machines from those of a quarter-of-a-century ago.

The One-Way Disc Seeder has displaced, to a serious extent, so far as the manufacturer is concerned, several other machines, and it does so because it cuts the cost of tillage and seeding by from 40% to 50%.

The small combine has spread the use of this method of harvesting until the sale of them now almost equals that of binders. And this because it costs only 26c per acre for out-of-pocket expense to harvest with the small combine as against \$1.90 per acre by the Binder-Thresher method—a saving of \$1.64 per acre.

The wheat farmer can equip today with the latest tractor and tillage and harvesting equipment at 28% less than he could for comparable machines ten years ago—equipment, too, that enables him to cut the costs of his operations by over 50%.

This is the contribution of the implement industry to the furtherance of agriculture and Massey-Harris takes pride in having played an important part in it.

The Undergraduate and His Future

UNDERGRADS look forward to the time when they will have their degrees and will be able to make practical use of the knowledge they have gained at University. They plan on years of activity in their chosen profession or business. They plan also on building up a home! Optimism is the keynote of their plans.

In your plans you would do well to include the matter of Life Insurance which has a direct bearing on the future of every man and every woman too—for Life Insurance means security, protection and investment. Members of the Class of 1941 should consider NOW the value of Life Insurance. Most men intend sooner or later to provide adequate protection for themselves and their dependents and the younger they are the cheaper the rate and the better their health.

Our representatives throughout Alberta are fully qualified to assist you with your insurance problems, and will be glad to do so without obligation on your part.

Recognizing that the Life Insurance business offers a field of endeavor with great possibility for advancement—a field where individual integrity, enterprise and initiative are the main factors to success, many College graduates have associated themselves with the Mutual Life of Canada in the underwriting field. Our Managers will be glad to discuss any enquiries.

A Custom-Built Insurance Program

When you graduate, throw out an "anchor to windward" in the form of a Life Insurance policy or bond with The Commercial Life. This guaranteed reserve will help you weather any difficult times through which you may be compelled to pass.

We issue low-cost protection policies, savings bonds and pension plans, to suit individual circumstances and requirements. Let us help you plan a "custom-built" insurance program—something within your present ability to finance but capable of expansion with your growing earning power.

a ROMANTIC STORY would
unfold before you

YOU COULD LOOK BACK MILLIONS OF YEARS—to the time when the vast Ordovician Sea was laying down the present oil and gas fields of Alberta. Later you could see our scouts eagerly searching for these hidden reservoirs—charting their position—adding them to our growing reserves which will supply you and your children's children.

THE EAGER, FRIENDLY FACES OF YOUR GAS COMPANY'S EMPLOYEES WATCH YOU—through your gas flame. Night and day they perform their many tasks—laying new lines—experimenting to improve equipment—studying your needs—revising the system in pace with growing demands. ALL anxious to do their task well so that you, at the turn of a valve, will have the best of service—adequate for every need—dependable as the well-planned system we have built to serve you.

THE SEARCH FOR TRUTH . . .

In all man's endeavours Truth is the goal for which he seeks!

Diogenes walked the streets with a lantern, looking for an honest man. The artist toils long hours to present what he sees, exactly as he sees it. The scientist bends over his microscope, devoting his life to the unremitting pursuit of scientific truth. A great business firm conducts a nation-wide trade based on honesty.

EATON'S of today carries on a long tradition of fair dealing in business. That tradition, a heritage of the founder, is shown every day in every EATON store. Most dramatically of all, you see it in the EATON Research Bureau, where trained men and women spend their days learning the truth about merchandise in EATON stores.

Because EATON'S goes to such pains to protect you in everything you buy—and because honesty is the cornerstone of EATON advertising—you will find any EATON store a most satisfactory place to shop.

The EATON slogan is your assurance of complete satisfaction—

“GOODS SATISFACTORY OR MONEY REFUNDED”

With those things which
last in your memories of
university, there will al-
ways be the Varsity Tuck
Shop.

In Appreciation

To the merchants and professional men who are represented in Evergreen and Gold for 1941 must go a great deal of credit.

Without the wholehearted co-operation and support of these men it would be impossible for this publication to maintain its enviable position in the front rank of college year books.

We are indeed privileged to have these men as leaders in our community, and through their part in this book they have shown an interest in our University.

May I express appreciation of the entire student body for their enthusiastic support in making Evergreen and Gold 1941 another success for our University.

DELMAR FOOTE,
Business Manager.
